Behind the **GREEN** Doors

Family Day Dog Show

A professional dog trainer brought in some friendly dogs to put on a show for a student family activity. The dogs performed several tricks with frisbees and also performed for snacks. The show was followed by a meet-and-greet where students were able to pet the dogs, most of whom were rescue pets.

Innovation Expo

Seventh graders recently participated in the second year of the Innovation Expo. Their task was to design a new invention, or alter something already invented, and create and sell their new product. Inventions ranged from a handy fishing bucket, eco-friendly chapstick, to a fidget pillow.

Updated School Board meeting minutes and agenda can now be found in the School Board tab on our website: www.ottovilleschools.org

Dinosaur Day

The second graders have been learning all about dinosaurs. They recently had a day dedicated to dinosaur activities such as digging for fossils, making dinosaur tracks, putting together puzzles, reading dinosaur books, and more. Mrs. Eickholt dressed as a tyrannosaurus rex to add some fun to the activities.
