Perfect State Test Scores

Mr. Wehri, Mr. Utendorf, and the Ottoville School Board congratulated 20 students in achieving perfect state test scores last spring. Subjects ranged from Math, Science, and English Language Arts, American History, and American Government. The school as a whole received a 4.5 star state rating (out of 5 stars) based on last year's test scores.

Behind the **GREEN** Doors

School Community Leaders

In social studies, we have been learning about leaders in our school and community. Our students interviewed Mr. Wehri, Mr. Utendorf, and Austin Markward to better understand their roles in our school.

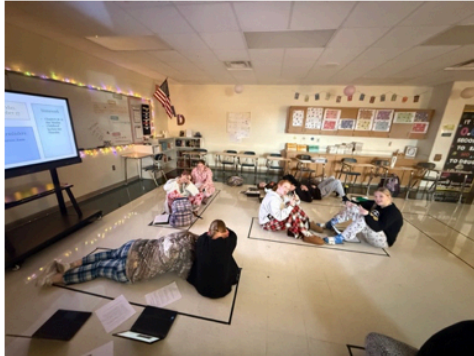

First Grade News

First grade reviewed addition and subtraction in groups with Halloween themed task cards!

Eighth Grade News

Eighth grade English language arts students are pictured in their "life rafts" (2x6 ft. rectangles taped to the floor). They are currently reading *Unbroken*, which tells the story of Louie Zamperini. Part of his story is that he survived in a life raft for 47 days. Students were able to better understand his struggles and empathize with him as a result of spending the period in their own life rafts.

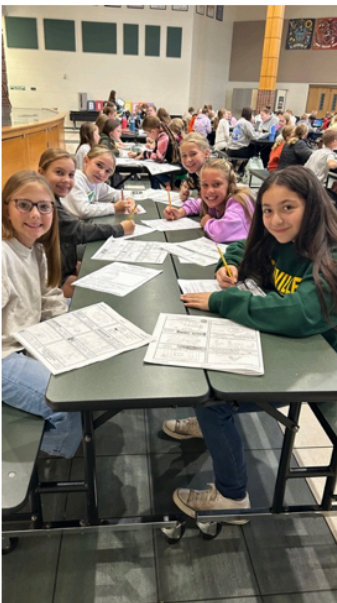

NHS Induction

Mrs. Jodi Koester returned as a guest speaker during the NHS Induction Ceremony. She spoke about how the four pillars (scholarship, leadership, character, and service) have a valuable impact on students' lives beyond K-12.

Fourth Grade News

Fourth graders designed advertisements for the Delphos Herald.

Fourth graders learned in social studies how humans impact the environment. The class impacted the environment in a positive way by picking up trash.
