| After Meeting: Shelby Co Mobile Career Trailer (from Lindsey) | | | | | |
| After Meeting: Tri Star Career Pathways Tours for Students (from Amy/Wendee) | | | | | |

| SWOT ANALYSIS: Developing Professional Skills | | | |
|---|--|--|--|
| | Opportunities (Ideas to Improve) | Threats (Other Pain Points) | |
| Plan Goal: Develop measurable, action-oriented strategies that address how to execute ideas. | Internships, Work-Based Learning, Pre-Ceptor and Pre-Apprenticeships | Low unemployment rates | |
| Which opportunities should we pursue? | Awareness is never-ending | Lack of systematic way to connect to businesses/ inconsistent schedules from school-to-school | |
| How can we use our strengths to help us succeed? | Businesses can provide input on academic needs/curriculum gaps | Housing/Infrastructure | |
| Which weaknesses can be worked on to help maximize success? | | Generational Changes | |
| What strategies can we put into place to be prepared for threats? | | Remote work opportunities for those living here | |
| Strengths (What we are doing well?) | S-O Ideas [2] | S-T Ideas [1] | |
| Tri Star Enrollment | Start conversations earlier (Elem, Middle School) BEFORE Tri Star decision process - also a MAJOR TAKEAWAY | Better understanding of barriers students face and how to overcome (MAJOR TAKEAWAY) | |
| High Quality Academics (3) and Athletics, STEM classes, advanced classes, CCP, ag classes | Enhance Business, FCS, Career Class, Financial Literacy Enrollment | | |
| Srong work ethic (3), sense of pride/independence, caring/kindess | Create more hands-on tours/exposure opportunities | | |
| Existing Tours, Career Fairs (3) | Get to know kids individually to help reach their own goals (MAJOR TAKEAWAY) | | |
| Parent Involvement | | | |
| Diverse indisutries in the region | | | |
| Weaknesses (Internal Improvements) | W-O Ideas [3] | W-T Ideas [4] | |
| Lack of Critical Thinking and Soft Skills/Inability to overcome/manage failure | Prioritize and emphasize prof. skill development thru competitive events | ldentify career trend data to share among all stakeholders | |
| Understanding of Application of Soft Skills (workplace etiquette, structures, customer service) | Soft Skills forum and follow-up? | Use skills/aptiude inventory to make a career plan for all kids | |
| Higher Performance Expectations | | | |
| Graduation requirements and scheduling conflicts | | | |
| Businesses are not aware of industry-recognized credentials and other work-based programs | Host an info night/session/PD | | |

| SWOT ANALYSIS: Build Partnerships | | | | |
|--|---|---|--|--|
| | Opportunities (Ideas to Improve) | Threats (Other Pain Points) | | |
| Plan Goal: Develop measurable, action-oriented | Systematic interactions/connections/dialogues, uniform process, consistency (3) | Unrealistic expectations | | |
| strategies that address how to execute ideas. Which opportunities should we pursue? | Parent engagement | Misperceptions (some negative) about some careers in the area | | |
| How can we use our strengths to help us succeed? | Better communication among all stakeholders | Transportation | | |
| Which weaknesses can be worked on to help maximize success? | | Time at school is limited; schedules are complicated | | |
| What strategies can we put into place to be prepared for threats? | | Skilled Labor Shortages (grad requirements, age req | | |
| prepared for tiffeats? | | Negative social media influences | | |
| Strengths (What we are doing well?) | S-O Ideas [2] | S-T Ideas [1] | | |
| Schools are more informed, willing to share job info | Develop and maintain a contact system/speakers bureau (HTO?) | More work-based learning/internships/etc. | | |
| Businesses are willing to engage (2), host job shadows (attendance at this meeting) | Add videos and enhance info on HTO; Dashboard of school-related activities, add business guide info Use social media to reach students where they are | | | |
| Good websites (HTO) help connect the dots | BAC Newsletter/Business School Directory (Multiple ways to communicate - MAJOR TAKEAWAY) | | | |
| ESC, AMBE, Tri Star, many invested partners | | | | |
| | | | | |
| | | | | |
| Weaknesses (Internal Improvements) | W-O Ideas [3] | W-T Ideas [4] | | |
| Lack ot turnout at scheduled events/so many time committments | Virtual Tours, bring more businesses into schools | Targeted experiences | | |
| Awareness of what programs schools offer and what careers businesses offer | Teacher Externships (see Tammy email) | "Real-world" curriculum input | | |
| Lack of parent understanding/engagement/ involvement | | Customize what businesses can offer - MAJOR TAKEAWAY | | |
| | | | | |
| | | | | |
| | | | | |

| SW | OT ANALYSIS: Coordinate Experien | nces |
|--|--|---|
| | Opportunities (Ideas to Improve) | Threats (Other Pain Points) |
| Plan Goal: Develop measurable, action-oriented | Hands-on (not just speakers) - demos and engagement (3) | Lack of balance between electives and CCP classes that support career development |
| strategies that address how to execute ideas. Which opportunities should we pursue? | Career planning is so diverse at each school, at every grade | Scheduling for businesses to come to multuple caree events at multiple schools |
| How can we use our strengths to help us succeed? | Implement more at younger grade levels (2) | |
| Which weaknesses can be worked on to help | Create opportunities for creativity, problem-solving, critical thinking | |
| maximize success? What strategies can we put into place to be | Better understanding of drawbacks for students and how to help educators overcome (?) | |
| prepared for threats? | | |
| Strengths (What we are doing well?) | S-O Ideas [1] | S-T Ideas [2] |
| Job Shadows (5), real-life STEM at some schools | Help connect to job shadows | |
| Summer hires (3), some work-release options | | More work-release options that are measurable and give evidence that businesses benefit |
| Career Courses (4)/Career Days/Guest speakers (3) | Create a menu of engagement opportunties | County-wide Job Shadow weeks or career events to share resources/transportation |
| Workforce Readiness Seals (1) | Explain/communicate better | |
| Tours (Parent. student, teachers) (4) | | |
| HTO - for students and for businesses | Utilize HTO to better build awareness of BAC, incl. mentorships, how-to videos, etc - MAJOR TAKEAWAY | |
| Tri Star (2) | | |
| Career Inventory/Assessments with Individual Students | Implement at more schools, more systematic | More career counselor assistance |
| Weaknesses (Internal Improvements) | W-O Ideas [3] | W-T Ideas [4] |
| Preparation for Quality Job Shadows | Micro-events, "speed interviewing", help with practice interviews | е |
| Lack of formal mentoring program | Can this be ID'd on HTO as well? | |
| Lack of conflict management | Rely on businesse for input on needed soft skills | |
| Lack of exposure to non-college options | | |
| | | |
