What does it mean to be “College-Ready”?

More than just academically ready

- Emotional and social transition
- Meeting college expectations
- Time management and organizational skills

How is College Different from High School?

	High School	College
Tests	Weekly or end of chapter	Fewer in number, but cover more material
Study Time	1 to 3 hours per day	2-3 hours per credit hours
Graded Work	Numerous quizzes, tests, and homework	Fewer tests & assignments, but worth more points
Learning	Information provided mostly in-class. Out-of-class research is minimal	More independent thinking, longer writing assignments, & out-of-class research
Responsibility	Daily verbal reminders in class	Email reminders, checking courses online daily
Attendance & Class Participation	Required, parents are notified if a student is absent	Attendance policy is determined by instructor, but no one is notified if a student is absent
Role of Parents	Parents are involved, working closely with teachers and counselors	The college views the student as an independent decisionmaker

FERPA

- The “Family Education Rights and Privacy Act” (FERPA)
 - Protects student education records
 - Parents do not have access to student’s academic records
 - Colleges reserve the right to communicate student record information with appropriate high school officials who have an “educational need to know”
 - “Permission to Release Information Form” – students written consent to share information with a third party

What are the Benefits of CCP?

- Students can:
 - Earn high school & college credits at the same time
 - Get a “head start” on career plans
 - Start & potentially complete a degree or certificate program
 - Understand the expectations of college life
 - Save tuition & textbook costs

What are the Expenses for CCP?

- Students must complete the Intent to Participate form* and submit to the public school by April 1, 2025
 - On the Intent to Participate form, students indicate a tentative plan to use Option A or Option B for payment of the College Credit Plus courses
- Some expenses are not covered (Ex: parking, transportation, calculators, etc.)

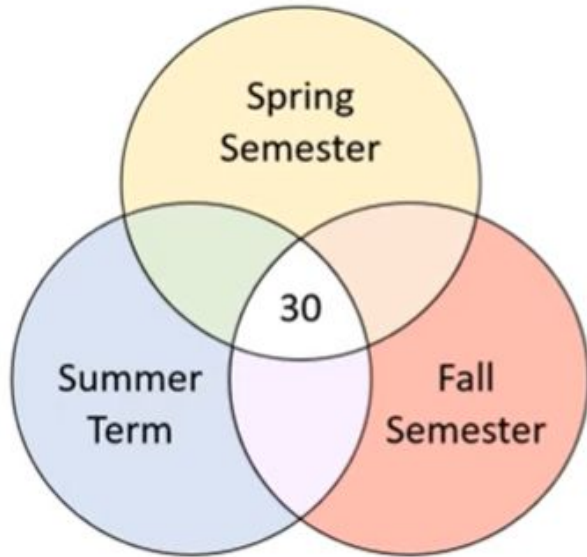

Option A	Option B
<ul style="list-style-type: none">▪ The family/student will “self pay” for college course at the standard rate of tuition, fees, and textbooks▪ Students can choose to earn college credit and high school credit OR only college credit (students must inform the high school of their choice of credit for courses)	<ul style="list-style-type: none">▪ All college course tuition, fees, and textbooks will be paid for by the state of Ohio (supported by the school’s foundation funds and the college’s funds)▪ Students will earn college credit and high school credit▪ “Default” or standard option for CCP▪ Private colleges may charge students a small fee per credit hour

*Not a binding contract & students can decide not to participate even if they sign it. BUT this is the only way to receive CCP funding.

How Many Credits can Students Take?

- Up to 30 credits per academic year, includes high school classes:
 - Calculation: $30 - (\text{ ____ } \text{ high school units} \times 3) = \text{ ____ }$ (max CCP credits)
 - Example: $30 - (3 \text{ high school units} \times 3) = \mathbf{21}$ CCP credits
- If a student enrolls in more than 30 credits, they can either:
 - Drop the course (during the 100% refund period) or
 - Pay for the entire course (including tuition, fees, books) at the college's standard rates
- Lifetime maximum credits per student is 120

When Can Students Take Classes?

- Summer is the lead academic term
- Student athletes should know - summer term CCP courses cannot count for athletic eligibility for that academic year

Where Can Students Take Classes?

*The option to take courses at the high school is only available if the high school has partnered with a college or university to offer courses at the high school

What Courses can Students Take?

- College courses in subject areas that will satisfy high school graduation requirements
 - Students must work with high school counselors to ensure they are meeting any mandatory testing or other high school requirements
- Courses in a career pathway that interests them
- Courses that are major or degree requirements
- Students must meet prerequisites for all courses they take
- Students must complete their first 15 credits in Level I courses, which are transferable to public Ohio Universities. (See College/University's website for a list of Level I courses)

15-Credit & 30-Credit Pathway Examples:

- Courses with high fees
- Study abroad courses
- Physical education courses
- Pass/Fail graded courses
- Remedial courses or sectarian/religious courses

Grades & GPA

- CCP grades earned in college courses are the same grades that will appear on the high school transcript
- Grades will be factored into the high school and college GPA
- If a high school uses a weighted grading scale for Advanced Placement or Honors courses in a subject area, CCP courses in the same subject area will be weighted using the same scale
 - If students have taken AP courses, scored a 3 or higher, they may receive college credit
- Must successfully complete the courses in order to earn the credit
 - Even if a student fails or withdraws from the course, the college transcript and high school transcript will reflect the student's final grade

Will my Credits Transfer?

- Most courses will transfer, especially from one public college to another public college
- Students must check with colleges to confirm transferability
- Visit transfercredit.ohio.gov or transferology.com for more resources

Underperforming Students

- If students do not earn a passing grade or withdraw too late from college courses, the high school may require students/families* to reimburse the tuition that the district paid
- The grades that students earn will be on the students' college transcripts permanently
- If a student fails or withdraws often, future financial aid may be negatively impacted
- If a student performs poorly, they may be placed on CCP Probation or CCP Dismissal or on academic probation or dismissal by the college

*If a student is considered "economically disadvantaged", a school may not seek reimbursement

Important note: Margaretta will require students/families to reimburse the tuition and books for failed CCP courses. This can equate to hundreds of dollars because of the per credit hour charge!
