

# LUNCH ORDERS

- An order form must be filled out for **each child**.
- **One form** can be used for all members of your family. Please put the entire **name and grade** on the form so the meal goes to the correct student.
- The cost for **lunch is \$3.00** and **breakfast is \$2.00**. If you qualify for reduced meals they will be half price. The office has forms to be filled out to check your qualifications. The total due is to go to the office **by the due date**. When paying be sure to **send in the exact amount due**.
- We must receive a form for every child that is ordering lunch so I can properly order the food. I use the forms so I can get a head count. **I will not assume that if you qualify for free lunch that you will eat every day**. You could possibly not like the meal or have an allergy.
- If you have an allergy you must provide the office with documentation from the doctor.
- If you forget your lunch or just don't turn in your form, **be aware that your child may not receive the same meal that is on the menu**. Due to the fact that I order my food based on the head count I receive as well as having to order pizza 5 days prior to the date it just may not be possible. If I do provide any meals that were not on the order form you will receive a bill along with the next form. You can add the amount due to your next order.
- Please help us by taking a couple minutes each month to fill out your forms. Because we are a smaller school things are a little different than others. We make all the food each day according to our orders. We also do not save leftovers to be given to your kids the next day. By just a little help from you we can continue to provide the kids with nice fresh meals each day that I hope they love.
