All K-12 faculty are required to have a minimum of a Bachelor's degree and hold certification through ACSI. The majority of our faculty also hold Master's degrees in their field.

Join us for one or more classes or specials! In addition to our exemplary academics, the education TFCA students receive through extracurriculars and clubs is designed to challenge and prepare them for success.

The Bible is at the center of the school's curriculum. Biblical principles permeate every field of study. Daily Bible study introduces Biblical truths and enables students to understand the Lord's Word and motivates them toward obedience from the heart.

TFCA uses a variety of textbook publishers, such as A Beka, Bob Jones University, Association of Christian Schools International, Zaner Bloser, Glencoe and Saxon.

The instructional program of The Frankfort Christian

Academy is of the highest quality because of the blend of the Christian curriculum and outstanding teachers. Our curriculum meets or exceeds state standards.

Homeschool students can sign up for any of the following individual classes or specials at the drop-in rate, as long as space is available!
