Dear Avonworth Parents & Caregivers:

The excitement of welcoming our students to the 2021-2022 school year is at a high level. Many staff members have worked during the summer vacation time to prepare for a new school year. And, all teachers have returned to school this week to continue planning, including for the first student days on August 24 (Grades 1-12) and August 25 (K).

This message serves two purposes:

First, below we are providing you with links to important information, such as our updated Student Handbook & Discipline Code, Annual Notices, Bus Schedule, 2021-2022 School Calendar, Food Service Information, Student Assessment Schedule, and 2021-2022 School Calendar. Additionally, you will be asked for a signature in the re-registration process to acknowledge receipt of the Student Handbook and Discipline Code and the expectations, procedures and consequences explained throughout.

Links to important information for the start of the 2021-2022 school year appear below. Please review the Student Handbook & Discipline Code before re-registering each child online in Alma.

Second, the following information is about the re-registration process for each child in our student information system, Alma, for the 2021-2022 school year.

Re-registering your child in Alma gives you the opportunity to view the current information in that system and a chance to update the information. It is critical that the District start the school year with accurate contact and emergency information. Please be sure the following information is accurate and complete: your contact information (email, phone, address), emergency contact and student health information.

The screenshot shows the Avonworth High School website. On the left is a navigation menu with links: Home, Directory, Calendar, and Test. The main content area has a header 'Avonworth High School' and a welcome message 'Welcome, Test!'. Below this is a section titled 'SCHOOL STARTS AUG 24, 2021' with a calendar view for the week of August 15-21. The calendar shows that school starts on Wednesday, August 18. Below the calendar is a section titled 'Students' which lists a student named 'Test Student' in '9th Grade'. Under the student's name, it says 'No classes Aug 24, 2021'. At the bottom of the student's entry is a link labeled 'Alma Start Forms and Tasks' with an external link icon. A red arrow points to this link.
