

Friday, March 25, 2022

Dear Avonworth Parents, Caregivers, and Staff,

I hope this message finds you doing well. This communication is to provide an update regarding current COVID conditions.

**Update on Cases of COVID-19 in Avonworth School District as of March 25, 2022.**

Avonworth Primary Center	Avonworth Elementary School	Avonworth Middle/High School
1 Active Case	3 Active Case	0 Active Case

There are currently **0** individuals (staff and/or students) in quarantine.

Allegheny County is current at the **LOW** Community COVID Level based on the CDC's updated metric.

**Updated CDC Community COVID Levels**

Low	Medium	High
<ul style="list-style-type: none"><li>Stay <a href="#">up to date</a> with COVID-19 vaccines</li><li><a href="#">Get tested</a> if you have symptoms</li></ul>	<ul style="list-style-type: none"><li>If you are <a href="#">at high risk for severe illness</a>, talk to your healthcare provider about whether you need to wear a mask and take other precautions</li><li>Stay <a href="#">up to date</a> with COVID-19 vaccines</li><li><a href="#">Get tested</a> if you have symptoms</li></ul>	<ul style="list-style-type: none"><li>Wear a <a href="#">mask</a> indoors in public</li><li>Stay <a href="#">up to date</a> with COVID-19 vaccines</li><li><a href="#">Get tested</a> if you have symptoms</li><li>Additional precautions may be needed for people <a href="#">at high risk for severe illness</a></li></ul>

People may choose to mask at any time. People with symptoms, a positive test, or exposure to someone with COVID-19 should wear a mask.

**Reporting Health Information:**

Please contact your child's school nurse if your child is identified to be positive for COVID-19. This information will help to limit the transmission of COVID-19 in our schools and school community.

We would like to remind our parents/guardians to continue to be diligent with regard to monitoring your child(ren)'s health. Daily health monitoring and keeping children home when needed are necessary measures for keeping our community healthy.

**If a student has any of the following symptoms, please keep them home:**

- Has shown any of the following symptoms:
  - Fever, cough, shortness of breath, chills, muscle pain, repeated shaking with chills, achiness, sore throat, and new loss of taste or smell
- Active vomiting or diarrhea
- Fever (100 degrees or higher), chills, or general body aches

Have a wonderful weekend!

Sincerely,

*Jeffrey M. Hadley*

Jeffrey M. Hadley, Ed.D.
