Training hosted by Mid-Ohio ESC Parent Mentors

Visit our website  
[www.ocecd.org](http://www.ocecd.org)

This training is designed for  
parents and is a make-it-take-it  
workshop that will assist  
participants in organizing records  
and documentation that pertain  
to their child's education and  
health needs.

Participants will gain an  
understanding of a Free Appropriate  
Public Education (FAPE). Information  
about parents' rights under the  
Individuals with Disabilities Education  
Act 2004, how documentation can be  
used to assist parents in developing  
an Individualized Education Program,  
and how to work with other agencies  
will be presented.
