

Notes from Principal Vens

Sylvania Schools monitors student activity online for the purpose of protecting students, both emotionally and physically. Two companies are used for detection--*Go Guardian* and *Bark*--and you may hear us refer to one or both if something your student does online is flagged.

In addition to enabling teachers to see what tabs students have open during class, the software also scans for keywords (including abbreviations and other modifications) in student emails, documents, and searches. **This is done during and after school hours.** The system is designed to flag things that relate to drugs, sex, bullying, school violence, and self-harm.

While our protocol has always been to call a parent or guardian when we receive an alert, in most cases we will now be calling and sending an email with the words or phrases that were flagged. In fact, some of the people reading this may have already received a phone call and/or email related to one of these *Bark* or *Go Guardian* alerts.

Mr. Joplin has addressed this with students in every lunch period on multiple occasions to make sure they are aware of the monitoring system and how it is used.

Winter 2024

Dear Sylvania Families,

We hope this message finds you well. We are writing to inform you about an important change regarding the state-funded ACT assessment for students in the Class of 2026. Beginning in Spring 2025, parents or guardians can exercise the option for their student not to take the state-funded ACT, in accordance with state law.

While the District is still required to administer the ACT to all grade 11 students, and this is a wonderful opportunity for those students who may benefit from this test, we recognize that not all students' future career plans may rely upon ACT results. We also recognize that students may have already participated in ACT testing and achieved desired scores. To this end, this new provision allows you to make decisions that best suit your child's educational path and needs. If you choose to exercise this option, please complete the form below and return it to the Counseling Office by December 20, 2024.

Please note that any junior student who opts out of the state-funded ACT on February 25, 2025 must participate in one of the CommUnity activities listed in building communication.

Thank you for your attention to this matter.

Sincerely,

Andrea Johnson

Director of Secondary Teaching and Learning
Sylvania Schools

5 Helpful Toledo Facebook Groups for Moms

[Mothers Center of Greater Toledo](#)

A nonprofit that began in the early 80s, MCGT helps moms with small children find entertainment, support and sisterhood. If you follow them on Facebook, you'll learn about their open houses, as well as other events to check out if you are considering a membership. It is only \$40 a year and includes weekly events, occasional childcare through the YMCA, a babysitting co-op, book clubs, guest speakers, and more.

[Toledo Area Ohio Moms](#)

With over 1,000 members, this group is one of the top selections on our list because of the active information sharing about events around town. You'll find posts about summer camps, free activities for families, educational resources, free items for kids and opportunities for meetups.

[Northwest Ohio Parents](#)

This group covers a broader area, so all of our readers will find something of value by joining this group of nearly 3,000 members. Find friends and set playdates, learn about classes for kids of all ages, pose parenthood questions to get well-rounded responses...it is an excellent resource to add to your network. Those who post are helped with fun requests, like finding the best egg hunts in Northwest Ohio, but there are also moms who go there for serious support, like finding temporary shelters.

[Toledo Thrifty Moms](#)

While you'll find events and calls for playdates on this page, the main topic is about saving money. Sharing articles about low-spend hacks, sharing the latest news on sales, bargains, free events, resources for housing insecurity and anything else to help families thrive without breaking the bank. Through this network, you might just find some thrifty friends to hang out with along the way!

Nominate a Teacher...

Our Cougar Pride program is expanding...again. Students can now nominate their teachers for the same monthly recognition they receive from the staff. The only difference is that staff members will not be eligible for any of the monthly prizes. Instead, each staff member who is recognized by a student will receive a certificate that will give details about why they were nominated.

I included the link and QR code in the weekly newsletter so that parents could use the same Google form to [nominate a staff member](https://docs.google.com/forms/d/e/1FAIpQLSdLEG5uCMfRpbEmxbXib9B6t1XCgUmvL_gsqoPjIKv5AmNmZQ/viewform). If you click on the link, you will see ways in which our staff might exhibit the core values--respectful, responsible, and resilient.

If you feel a staff member has exceeded your expectations or exemplified the core values in some way, consider taking a few minutes to type a sentence or two about their performance. The recognition will mean a lot to them!

SENIOR SPOTLIGHT

Christian Faber

Christian Faber is this week's senior spotlight. Prior to Southview, Christian attended Central Trail Elementary and Timberstone Junior High. He lives with his dad and his sister Gabi, who is currently in 7th grade at Timberstone. He has a dog named Eddie (short for Edison) and a cat named Mowgli. In their free time, the Faber's enjoy spending time together, playing tennis, and going on trips. During his time at Southview, Christian has shown that he is hard working, goal-oriented, and resilient. Christian shared the following:

Q: What has been your favorite memory of high school so far?

A: My favorite memory has either been winning the NLLs with the boys tennis team or the Florida trip for band my freshman year when we went to Epcot, Magic Kingdom, Kennedy Space Center, Disney Springs, and Universal Studios.

Q: What are you looking forward to most in your Senior year?

A: I am looking forward to the boys tennis season and walking across the stage for graduation for my diploma.

Q: What are your plans after high school?

A: I plan on attending the University of Toledo to study history. I plan on playing club tennis as well for Toledo.

Q: What advice would you give to underclassmen?

A: Be the best version of yourself. Don't be the person that is one way with someone then a different way with someone else, just be your authentic self. Know your strengths and weaknesses as well, you will know what you need to improve on and knowing that will make you work harder to be better at those weaknesses. The final thing on being the best version of yourself is to treat everyone with respect, even if you don't agree with them or like that person because at the end of the day, we are all human and we all have accomplished something in our lives.

Q: Do you have a job outside of school? What is it and have you learned from your job?

A: I work the front desk at Twos Athletic Club and have been doing so for about a month now. I have learned how to better organize when I can do things because I keep the tennis club clean as well as check people in. So I have to manage my time and find openings as to when I can do certain things.

Q: Who is one teacher that has inspired or supported you throughout high school?

A: Mr. Carr without a question. Mr. Carr was my English teacher freshman year and without him, I don't think I would be where I am today. He was an enthusiastic and interactive type of teacher. His teaching style really connected to me and it is what opened the door for me to learn more about subjects that I didn't have interest in before.

Q: What do you enjoy doing in your free time?

A: I enjoy playing video games, hanging out with my friends, playing tennis, and learning about American history in my free time.

COUGAR PASSES - SEASON OPTION

Beginning this Winter Sports Season, the Southview Athletic Department will be offering Cougar Passes for home athletic events on a *seasonal basis*. Details can be found in this week's *Southview Scene*.

VAL GLINKA FOUNDATION GAME

The boys basketball team hosted the St. Francis Knights in the annual Val Glinka Foundation Game. The game helped raise awareness for organ donations through the help of Life Connection of Ohio. Life Connection of Ohio is a non-profit organization that has promoted and facilitated organ donation in Northwest and West Central Ohio for more than 30 years. All proceeds raised from the game were donated to Life Connection of Ohio in honor of Coach Glinka. We are happy to report that Life Connection of Ohio will be receiving \$2000!

WINTER SIGNING DAY

Congratulations to Ryan DeShetler, Zoey Jacobs, and Isaac Vens who officially signed to continue their academic and athletic pursuits at the next level. Well done!

ATHLETE OF THE WEEK

Mikayla Dorn

The Cougar Athlete of the Week is sophomore basketball player Mikayla Dorn. In Tuesday's 41-29 victory over Bowling Green, Mikayla had 18 points, 2 rebounds, 2 steals and 3 blocks. Head coach Tyler Bates commented, "Mikayla comes into practice every day with a smile on her face and a positive energy and is willing to do what it takes for the team. She guarded some of the best players during our first two games against AW and Perrysburg. Mikayla has done a great job of expanding her basketball skills in the offseason and the hard work is showing. She is building off of her experience from last year as a freshman, and will continue to be a giant part of the Lady Cougar program." Mikayla is also a member of the Southview track team and carries a 4.0 GPA. Congratulations, Mikayla!

CAREER TECH STUDENT OF THE WEEK

Morgan Elliott

I'm currently a senior going to both Northview and Southview, and most of what I focus on includes environmental science or some kind of agriculture! It started with house plants, which I've kept for about six years, but now that I'm 17 it's turned into much more than that. Lately, I've found myself in somewhat odd positions that require me to skip most of my regular classes just to end up waist-deep in the Ten-Mile Creek testing water parameters, or spending the day teaching younger kids about just how cool farming can really be. Every day I'm grateful for all the crazy opportunities I've been given so far, and I hope to continue my career as a park ranger or forestry technician!

MUSICIAN OF THE WEEK

Lux Ackley Jordan

Southview's Musician of the Week is Lux Ackley Jordan! Lux is a senior at Southview and has been in choir all four years of high school. During their time in the choirs, Lux has performed with the Concert Choir, Symphonic Choir, and the Southview Varsity Singers. When asked why they like being in choir, Lux says: "I love singing with my friends and having Ms Olrich as a teacher. It's also cool to see my voice grow and develop as a soprano." Outside of choir, Lux is also involved with the tech and stage crew for our theater department, enjoys sketching, and hanging out with friends. After high school Lux plans to attend Bowling Green State university to study clinical psychology. Lux is the child of Kelley Jordan, David Carrol, and Derek Jordan.
