## Notes from Principal Vens

Over the next few weeks, every student will be presented with scheduling options for the 2026-2027 school year.

Please review the following link that outlines [Distinguished Graduation Options](#). This information is time sensitive in long term planning and should be considered with course selections.

**A College Credit Plus** informational meeting must be attended if you are planning on taking college credit next school year. The next CCP Night is at **Northview on Monday, Jan. 26 at 6:00PM.**

**Registration and course selection** is the first critical step in making sure we can construct a master schedule that meets everyone's needs.

Please review the [program of studies](#) alongside registration sheets. It houses scheduling processes, important policies, course descriptions, and graduation requirements. It is the reference tool that will help students understand academic policy.

An outline of the [scheduling process and policy rationale](#) is attached. This information is included to stress how important step one is and how powerful student choice really is in constructing the master schedule.

# Southview 50th Anniversary

The year **2026 marks the 50th anniversary for Southview High School**. Our doors opened in 1976 for the first batch of Cougars. Even after half a century, we still honor traditions, such as singing the alma mater after football games, recognizing outstanding achievements with our “senior stand-ups” during commencement, and proudly wearing the orange and brown.

In order to commemorate this momentous occasion, we have designed a special **spirit shop** that will be open until midnight on **Wednesday, January 21st**.

This is NOT a fundraiser; everything is being sold at cost. Our goal is to get these limited edition designs on as many students, staff, and community members as possible. Please consider buying something to show your support.

EXCELLENCE THROUGH OPPORTUNITY

Parents/Guardians,

We are transitioning from OneView to FinalForms as our system for enrollment and student information forms. OneView is no longer available. We are sharing this information during winter break for those who may need to update their contact information or notify us of an address change before next semester begins.

## **2nd Semester: Address Change / Contact Information Updates**

During this transition, **if you need to update a contact email, phone number, or address** during the second semester, please use this link to view the instructions on our [website](#).

## **JH/HS Athletics**

Our junior high and high school athletic departments have been using the FinalForms system for several years. There are no changes to the way athletic forms are completed.

## **Annual Student Information Forms (Spring 2026)**

In the spring, we will communicate the process for updating the annual Student Information Form for the upcoming school year.

If you have any questions, please check our website for instructions or the appropriate person to contact. As we enter 2026, we will send additional communication about FinalForms.

## CCP Information

### **ATTENTION Parents! CCP Mandatory Informational Parent Meetings for 2026/27:**

If your student intends to take **any** CCP classes in the Summer or Fall of 2026 or Spring 2027, **you are required to attend an informational meeting** - if you missed the **January 12** meeting, there is another opportunity on Monday, **January 26** in the Northview PAC at 6:00 PM. Students are encouraged to attend with their parents.

## Winter Sport Concession Sign Up

**Cougar families**, there are many spots available. Please sign up, we need help with concessions.

## Sylvania Prevention Alliance

In May **Sylvania Prevention Alliance** will host a **Relay Challenge** similar to the 24-Hour Challenge from years ago, but shorter. Click [HERE](#) for a **video** and **survey**. The purpose of the survey is for you to have a voice in helping the Relay Challenge grow in the Sylvania District. Thank you for providing your input to Sylvania Prevention Alliance!

## Scheduling Season is Here!

Over the coming weeks, school counselors will be meeting with students to review graduation requirements, plan next year's courses, and talk about future goals. We enjoy connecting with students and supporting them as they plan their next steps. As counselors will be in student meetings throughout the day, responses may take a bit longer than usual. We appreciate your patience and invite you to review the following resources as we begin the scheduling process:

### **Program of Studies**

The [Program of Studies](#) is a helpful resource that includes information about graduation requirements (pg 3), academic programming (pg 7), scheduling policies (pg. 10), and course descriptions (pg 20).

### **CCP Handbook**

For an online order to count toward your fundraiser, folks must apply code GIVE prior to checkout at [order.citybbq.com](https://order.citybbq.com) or in the City BBQ app. If folks are ordering in person, they must present your group's flyer or social media post with code GIVE visible, either by pulling it up on their phone or presenting a printed copy. Online orders must be fulfilled —i.e. picked up or delivered— on the date of your fundraiser in order to be eligible: orders placed on the date of your fundraiser for fulfillment at a later date will not count toward your sales. (Orders can, however, be placed in advance for fulfillment on your fundraiser date.) Your total fundraising proceeds must be \$300 or more to receive your 20% of the proceeds from eligible sales: we can't issue donation checks for less than \$100 due to administrative costs. Checks will be mailed out within three weeks of your fundraiser. The percentage of sales you will receive is based on food, beverage, and bottled sauce sales. Gift card and non-sauce retail purchases are ineligible, as are catering orders, orders placed via third-party delivery services, and sales tax.

## SYLVANIA SCHOOLS SOCIAL WORKERS

WELCOME TO OUR

### *Newsletter* *Message from the social workers...*

Dear Students, Families, and Staff,

We are officially out of the Holiday Season and with that sometimes comes a sigh of relief. For some the Holiday season is filled to the brim with family pressures and needing to find a moment of silence to regroup. For others it can be a reminder of the grief that comes with losing someone you love.

Whatever it may be for you we hope that you were given space and were able to have many moments of joy in the hustle and bustle of the day. As we head back into school and find a new rhythm for our routines lets think about how we can not only show up for ourselves, but for others. With new years comes new opportunities to show up better and to challenge ourselves to continuous learning and change.

Have an amazing second semester!

## 3 Tips to Avoid Slips this Winter

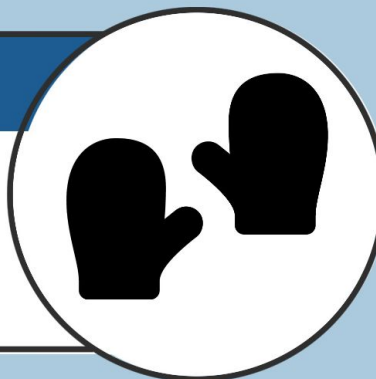

### ONE

Wear shoes with gripping soles to provide traction. If you come across an area that you believe may be icy, tap the edge of the area with your foot to be sure.

### TWO

Carrying heavy items may change your center of balance, making it more likely for you to slip. Keep your hands free and out of your pockets when walking.

### THREE

When getting out of your vehicle, check to make sure there are no icy spots near your vehicle. When entering and exiting your car, use the vehicle for balance and support.

**Patient First**

# Nominate a Faculty Member...

Our Cougar Pride program is expanding...again. Students can now nominate their teachers for the same monthly recognition they receive from the staff. The only difference is that staff members will not be eligible for any of the monthly prizes. Instead, each staff member who is recognized by a student will receive a certificate that will give details about why they were nominated.

I included the link in the weekly newsletter so that parents could use the same Google form to [\*\*nominate a teacher or staff member\*\*](#). If you click on the link, you will see ways in which our staff might exhibit the core values--respectful, responsible, and resilient.

If you feel a staff member has exceeded your expectations or exemplified the core values in some way, consider taking a few minutes to type a sentence or two about their performance. The recognition will mean a lot to them!

# MUSICIAN OF THE WEEK

## Cas Young

The Cougar Musician of the Week is Cas Young, a senior who is a member of the Academy Orchestra and Rock Orchestra viola section. Cas began playing viola seven years ago at Timberstone, and they have served as the Academy Orchestra viola section leader for the last two years. Their favorite aspect of playing in orchestra is experiencing a wide variety of music from composers. Director Megan Fitzpatrick says that, "I don't think I have ever met a kinder, more generous person. They go the extra mile to make everyone feel welcome, and work harder than just about anyone I know. It's been such a privilege to watch them grow up." Cas is a captain of the Speech and Debate team and they run the headset in theatre. They are also a member of National Honor Society and Science Olympiad. Cas went to the state competition for Speech and Debate last year, and they had the opportunity to visit New York with Southview's choir and orchestra during their sophomore year. After graduation, Cas plans to attend college to study architecture or architectural engineering. They also hope to perform with a community band or orchestra during their free time. They also currently carry a 4.4 GPA. Congrats, Cas!
