## Nominate a Teacher...

Our Cougar Pride program is expanding...again. Students can now nominate their teachers for the same monthly recognition they receive from the staff. The only difference is that staff members will not be eligible for any of the monthly prizes. Instead, each staff member who is recognized by a student will receive a certificate that will give details about why they were nominated.

I included the link and QR code in the weekly newsletter so that parents could use the same Google form to [nominate a staff member](https://docs.google.com/forms/d/e/1FAIpQLSdLEG5uCMfRpbEmxbXib9B6t1XCgUmvL_gsqoPjIKv5AmNmZQ/viewform). If you click on the link, you will see ways in which our staff might exhibit the core values--respectful, responsible, and resilient.

If you feel a staff member has exceeded your expectations or exemplified the core values in some way, consider taking a few minutes to type a sentence or two about their performance. The recognition will mean a lot to them!

## SENIOR SPOTLIGHT

### Cooper Childers

It is my honor to feature Cooper Childers as our Senior Spotlight this week!!! Cooper attended Byrnedale and Beverly Elementaries in Toledo before becoming a Sylvan Bobcat in 3rd grade. He followed his cohort to McCord before Southview. Cooper is the oldest of 4. He and his younger sisters (Ella- 16, Maizie- 10, & Olive- 7) live with their mom and dad, a nurse and executive chef, respectively. Sunday family dinners include their grandmother, and the family commitment runs deep with this busy family! Spending time by the pool at their house is a favorite summertime activity, and they are looking forward to opening it up for the season soon! Molly, the family's goldendoodle, is also an important member of the family.

**Q:** What has been your favorite memory of high school?

**A:** Playing sports with friends, doing all the activities and work at practices, and playing against rivals has been great!

**Q:** What are you looking forward to as we finish senior year?

**A:** Graduation, of course! I'll be wrapping up my four years, saying goodbye to teachers, counselors, and principals.

**Q:** What are your plans after graduation?

**A:** I have enlisted with the Air National Guard. I'll go to 5 months of basic and tech school before starting in the spring at BGSU to study marketing. After the 5 months, I'll serve one weekend a month and two weeks in the summer, and it will basically pay for my college tuition. ~In tech school, Cooper will be training to deload and reload weapons for fighter jets and heavy artillery such as tanks. Wow!

**Q:** What advice would you give to underclassmen?

**A:** Don't take high school for granted- it flies by very, very fast, and do everything to the best of your ability.

**Q:** Do you have a job outside of school, and what have you learned from your job?

**A:** I work at Masterpiece Financial Services. I began there as part of my Business Tech program and have really learned a lot about watching what you spend and how to utilize money wisely.

**Q:** Who is one teacher that has inspired or supported you in high school?

**A:** Mrs. Martin, my Business Tech teacher, has taught me a lot about using money and marketing!

**Q:** What do you enjoy doing in your free time?

**A:** Mostly, I enjoy sports. I play lacrosse currently and enjoy working out. Otherwise, I love playing with my dog.

Commentary: This week's spotlight has a bittersweet feel, I admit, as it comes with a personal connection. I've known Cooper since August of 2014 when he first moved to Sylvania, just a few houses away from me. I had only lived there for a year at the time, and the fact that a new boy moved in was cause for celebration with my own 3rd grade boy. The two became fast friends and for those next few years I spent a great deal of time watching them throw a football around and listening to them play video games together. Cooper, it has been my honor helping you through the last two years of your high school career and I look forward to seeing you accomplish great things!

~Mrs. Emerson

## Marcus Snell

The Cougar Athlete of the Week is senior Marcus Snell. Marcus won the 100m and the 200m races at last week's track meet versus Springfield. This was Marcus's first time placing first and ran a personal best of 11.09 in the 100m and 23.1 in the 200m. Head coach Jim Mayzes commented, "Marcus has worked very hard in the off-season and his work is paying off. He is very disciplined and dedicated to the art of being a great sprinter. I'm looking forward to watching him progress throughout this season." After graduation, Marcus will continue his education at Defiance College where he will participate on the track team. Congratulations, Marcus!

# CAREER TECH STUDENT OF THE WEEK

Francisco Morales

# MUSICIAN OF THE WEEK

## David Liu

The Cougar Musician of the Week is junior David Liu who is a member of the Chamber Orchestra violin section. David has been playing violin for 10 years and has been involved in many musical groups. These include the Greater Toledo International Youth Orchestra, Toledo Symphony Youth Orchestra, and the Tri-M Music Honor Society. One of his favorite parts about being in the SV orchestra program is the opportunity to play in quartets. Director Megan Fitzpatrick says that, "David is a leader in our orchestra and an outstanding violinist. I am impressed by his willingness to take on extra performances and responsibilities." Outside of orchestra, David is involved in mock trial, speech and debate, tennis, and the programming club.

## RONALD McDONALD **CARE MOBILE**<sup>®</sup>

### BEFORE YOUR VISIT

#### What is the Ronald McDonald Care Mobile?

The Ronald McDonald Care Mobile is just that. A mobile medical clinic designed with children in mind, incorporating patient exam rooms, a waiting area and a laboratory area.

The Ronald McDonald Care Mobile is staffed with medical professionals from ProMedica Russell J. Ebeid Children's Hospital. The team may include a physician assistant, nurse practitioner, medical assistant and a driver.

The Ronald McDonald Care Mobile was made possible by a generous grant from Ronald McDonald House Charities Global to deliver on Ronald McDonald House Charities of Northwest Ohio's mission of providing access to quality healthcare for children in our community.

#### What services are provided to patients?

- School and sports physicals.
- Immunizations.
- Oral hygiene education.
- Asthma self-management education.
- Vision and hearing screening.
- Nutrition counseling.
- Childhood health promotion and injury prevention education.
- Mental health assessment and referral.
- Social service resource referral.
- Health education.

#### Who is served by the Ronald McDonald Care Mobile?

The Ronald McDonald Care Mobile program gives children and their families access to a wide range of services and educational tools with the goal of connecting the child and family to a medical home. The target demographic is ages 0 – 6 years old, but we will not turn any child away under 18 years of age.

While this program is not meant to replace regular visits to a doctor, it does provide an entry point into a regular pattern of health care for children. All individuals will be given multiple providers that they can choose from in the community.

#### Items to bring :

- Insurance card.
- Identification.
- Primary care provider information.

#### How are health care services by The Ronald McDonald Care Mobile paid for?

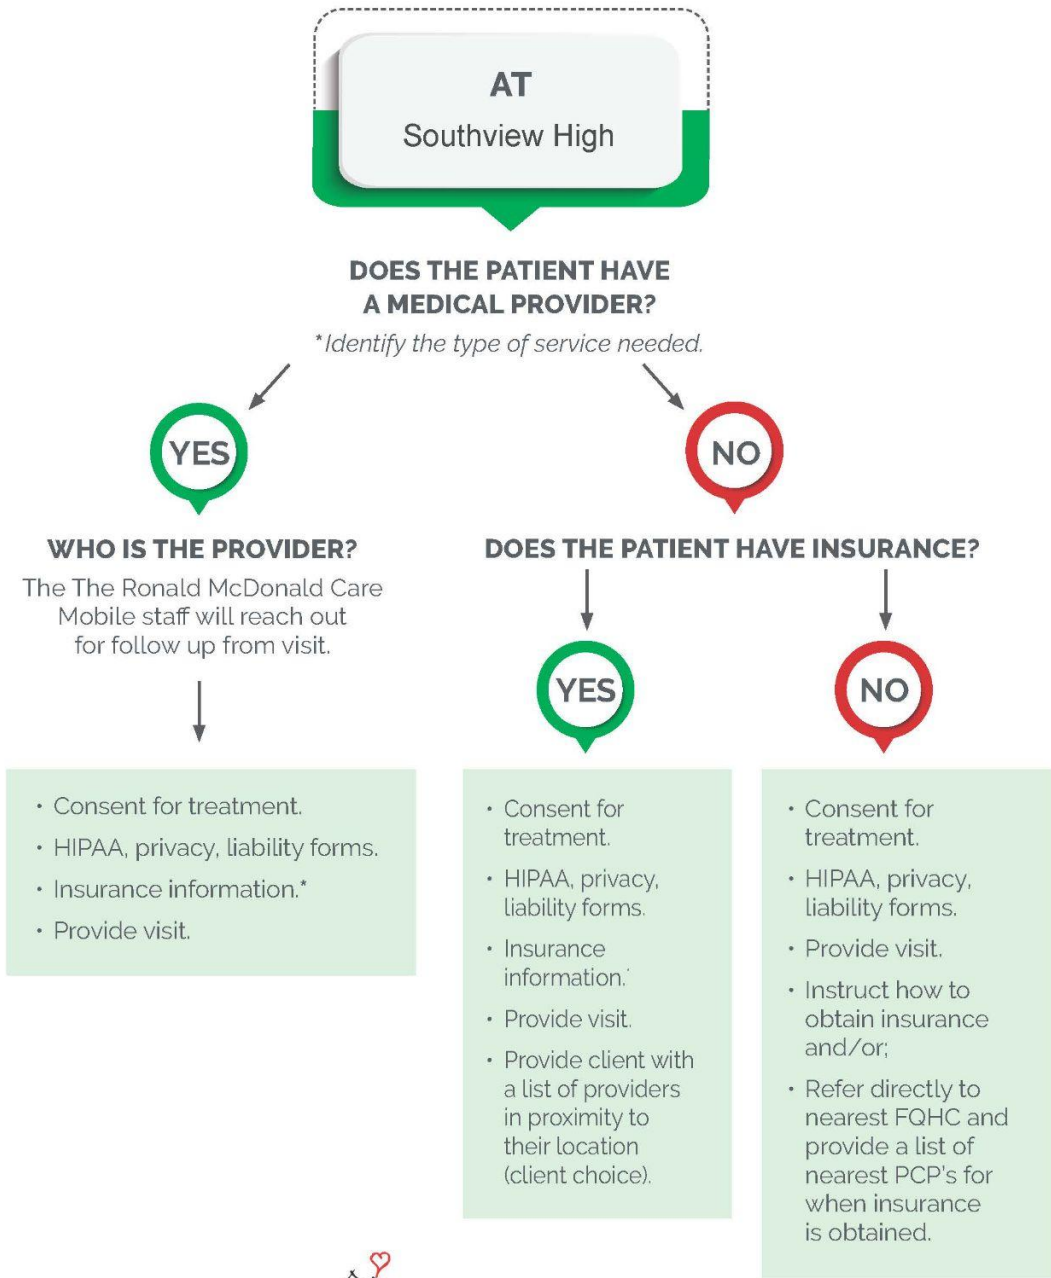

We will bill insurance just like a routine visit to a provider's office or clinic. We will treat any patient regardless of their insurance status or ability to pay and will follow ProMedica Toledo Hospital's standard billing processes. We can also connect uninsured patients to resources to help them enroll in Medicaid or other insurance programs.

#### More information:

- We will be at your location from 9 am until 1 pm, taking the last patient at 12:30 pm.
- The visit will take about 40 minutes from start to finish.
- We will help connect you to other services to continue a healthy future.
- Please reach out to your service site coordinator with any questions or concerns.
