Notes from Principal Vens

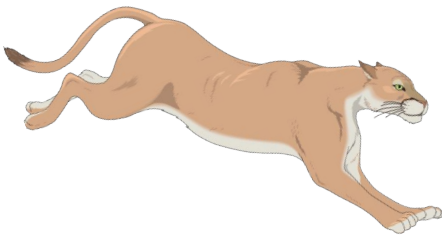

We get requests from parents every semester about changing their child's exam schedule. The questions are typically about taking exams during different periods to free up a day, or even missing all of the exam days for a trip. These are considered Personal Convenience Absences (**PCA**), which are **NOT granted in the final two weeks of the grading period, including exam week.**

To be clear, teachers are not obligated to administer exams during different periods or on different days to accommodate family travel plans or other conflicts. In fact, teachers will enter a grade of "Did Not Attempt" (DNA) into PowerSchool if the student fails to test. This policy is significant because a DNA is recorded as a 0% for the exam grade, which will undoubtedly have a large, negative effect on the final GPA.

We encourage everyone to check the current academic calendar for all of this year's exam dates, as well as reference the calendar for 2026-2027 for future planning purposes. The district aims to publish the academic calendar at least one year in advance, so conflicts can be avoided.

From the Office of Academic Affairs

There has been an important update to our **Honor Roll calculation policy** that takes effect this school year.

Students in Grade 9:	Honor Roll will be awarded based on their Semester GPA
--------------------------------	--

Students in Grades 10-12:	Honor Roll will continue to be evaluated on their Quarter GPA
-------------------------------------	---

This change is being implemented for the following reasons:

- Accuracy and Consistency
- Weighted Course Equity
- Alignment with Transcripts

The thresholds for earning Honor Roll will remain the same. Students must be enrolled in four high school courses to earn honor roll. Any student who has a grade below a “C” will be eliminated from the highest honor roll categories.

Honor Roll awards will be given to 10-12 grade students during homeroom on November 13, 2026. 9th grade students will receive honor roll in January at the close of first semester.

District Safety and Security

At Sylvania Schools, **student and staff safety is our top priority**, and we continue to lead the way with comprehensive, proactive measures that set the standard for school safety across the region.

Working closely with the **Sylvania City and Township Police and Fire Departments**, Our Sylvania Schools has implemented a multi-layered safety plan focused on prevention, protection, and preparedness. Every building is equipped with secure **vestibules, upgraded door hardware, advanced camera systems, and real-time communication tools** that strengthen our emergency response.

Equally important, our staff participate in ongoing **training, threat-assessment practices, and safety drills** conducted in partnership with local law enforcement. These joint efforts ensure that our readiness remains strong throughout the year.

We also understand that safety extends beyond physical security. Our **School Resource Officers, counselors, and student support teams** help ensure every student feels connected, supported, and cared for.

Through teamwork, technology, and trust, Sylvania Schools continues to model what it means to create a safe, welcoming learning environment for all. Together with our community partners, we remain steadfast in our promise: Safety first—always.

Superintendent

Ohio Tip Line

The **Safer Ohio School Tip Line (LINK)** is a free safety resource available to all Ohio schools. The tip line is an anonymous reporting system that accepts both calls and texts 24 hours-a-day. **Call or text 844-SaferOH (844-723-3764)**

This tip line allows students and adults to anonymously share information with school officials and law enforcement about threats to student safety — whether that involves a threatened mass incident or harm to a single student.

TRAVELING SAFELY THROUGH WORK ZONES

Traveling safely, slowly, and attentively through work zones is critically important, particularly as a commercial motor vehicle (CMV) driver. Narrow lanes, sudden stops, traffic pattern shifts, and uneven road surfaces present unique challenges in these areas for large trucks and buses. In fact, large trucks are overrepresented in fatal work zone crashes.

Do your part to stay safe with tips from the Federal Motor Carrier Safety Administration's (FMCSA) Our Roads, Our Safety campaign:

RESEARCH YOUR ROUTE

Before setting out on the road, research your route. When possible, avoid work zones and use any detours that are available.

PAY ATTENTION

Be aware of all signs throughout work zones that can indicate reduced speeds, lane changes, and other important information. Avoid distractions such as your cellphone, eating, drinking, the radio, GPS, and conversing with other passengers.

SLOW DOWN

Lane closures, traffic pattern shifts, and reduced speeds are common in work zones. Make sure to slow down when entering a work zone and keep an eye out for road workers.

MOVE INTO THE OPEN LANE

When approaching lane closures, move into the open lane as soon as possible. Be sure to pay close attention to vehicles around you that could be in your blind spot, and ensure you're not traveling in someone else's.

KEEP YOUR DISTANCE

Rear-end crashes are extremely common in work zones. Always maintain extra space between your vehicle and the one in front of you.

Nominate a Faculty Member...

Our Cougar Pride program is expanding...again. Students can now nominate their teachers for the same monthly recognition they receive from the staff. The only difference is that staff members will not be eligible for any of the monthly prizes. Instead, each staff member who is recognized by a student will receive a certificate that will give details about why they were nominated.

I included the link in the weekly newsletter so that parents could use the same Google form to [**nominate a teacher or staff member**](#). If you click on the link, you will see ways in which our staff might exhibit the core values--respectful, responsible, and resilient.

If you feel a staff member has exceeded your expectations or exemplified the core values in some way, consider taking a few minutes to type a sentence or two about their performance. The recognition will mean a lot to them!

Coach Andy Kufel shared, "Andrew is a very humble and unselfish player who allows his work ethic to speak for his qualities on the field. As a goalkeeper, he has demonstrated his technical skill set game after game, but what stands out most about Andrew is his ability to manage the game and overcome adversity. He is a great leader and role model for all of the young players in our program. Congratulations, Andrew!" In addition to his success on the soccer field, Andrew plays trumpet in the Southview Marching Band and maintains an impressive **4.24 GPA**. SYLVANIA SOUTHVIEW HIGH SCHOOL and **Clothes Bin®** have partnered to collect and recycle old clothing, shoes and textiles!

So, please do not throw them away!

Just place the items in the **green** recycling bin in our parking lot.

Every pound of recycled items supports our School!

Below is a list of items that can be placed in our bin:

Clothing: pants, jeans, skirts, dresses, suits, shorts, shirts, tees, tanks

Footwear: shoes, boots, heels, sneakers, sandals, socks, tights

Undergarments: bras, underwear, slips, camisoles

Accessories: hats, belts, ties, scarves, headbands

Handbags: wallets, totes, luggage, backpacks, briefcases

Linens: towels, sheets, comforters, blankets, tablecloths

As you clean out the old and bring in the new, **you** can help the environment and **SYLVANIA SOUTHVIEW HIGH SCHOOL** too!
