Parent/Teacher conferences are designed to build a partnership between home and school, where our staff can provide important clarification about performance and expectations in the classroom.

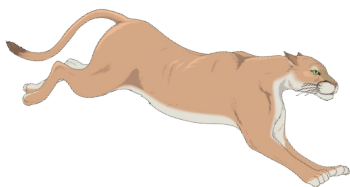

Conferences will be scheduled in 20 minute increments by appointment only **for students who may be in jeopardy of losing semester credit based on quarter one grades.** Teachers are working to construct a list of students who would benefit from a collaborative approach in an effort to redirect performance to maintain good credit standing.

E-mails will be sent to families by the end of the day Monday, October 12 to request your presence. A google form will be linked to help indicate your interest in participating.

Our structure will blend team meetings and individual conferences. The morning is designed to meet as groups to discuss patterns and interventions in a team approach; the afternoon will be reserved for 1:1 conferences. However, we will be as flexible as we can to accommodate schedules.

We always welcome students into meetings; as young adults, it is important for them to represent themselves and voice their needs and concerns.

The main office will be in a position to support scheduling after emails are sent.

Program Spotlight: Fifth Year by Junior Achievement

Seniors had the opportunity to learn about the **Fifth Year by Junior Achievement** program during homeroom last week. The Fifth Year is a program designed to help high school graduates explore career options. Students can build on their interests and strengths while gaining real-world experience in careers that are in demand in our area. The program helps students develop valuable skills, make professional connections, and take their first steps toward a successful career.

Students who participate in the program live on campus at the University of Toledo for nine months and participate in a variety of professional experiences including internships, job shadowing, financial education, career readiness training, certifications, and community involvement. They receive career guidance and the chance to form professional connections so they can make informed decisions about their future.

Nominate a Staff Member...

Our Cougar Pride program is expanding...again. Students can now nominate their teachers for the same monthly recognition they receive from the staff. The only difference is that staff members will not be eligible for any of the monthly prizes. Instead, each staff member who is recognized by a student will receive a certificate that will give details about why they were nominated.

I included the link and QR code in the weekly newsletter so that parents could use the same Google form to [nominate a staff member](https://forms.gle/11THMxWduWCtPqbeA). If you click on the link, you will see ways in which our staff might exhibit the core values--respectful, responsible, and resilient.

If you feel a staff member has exceeded your expectations or exemplified the core values in some way, consider taking a few minutes to type a sentence or two about their performance. The recognition will mean a lot to them!

Lady Cougars *Pitch In*

The Lady Cougars soccer team spent time this past weekend giving back to Southview by helping clean up the campus, including weeding and taking care of the landscaping. It was a great opportunity for the players and coaches to work together, take pride in their school, and enjoy some team bonding.

Afterward, the team was treated to lunch at Marcel's Restaurant, where Chef Marcel prepared a meal for the group. A great day of teamwork and giving back by our Lady Cougars!

ATHLETE OF THE WEEK

Oscar Iliev

The **Cougar Athlete of the Week** is senior soccer player **Oscar Iliev**. A four-year varsity starter and two-year team captain, Oscar has been a key contributor to the Southview soccer program throughout his high school career. His accomplishments include Second Team All-NLL and Honorable Mention All-District honors in 2024, followed by First Team All-NLL and First Team All-District recognition in 2025. Head Coach Andy Kufel shared, "Oscar is an unselfish player who lets his work ethic speak for itself. He is a true competitor who consistently displays grit and resilience while motivating his teammates. As a defender, Oscar has proven himself game after game, shutting down some of the area's top attacking players. What stands out most is his ability to handle adversity and overcome challenges. He is a confident leader and an outstanding role model for the Southview soccer program."

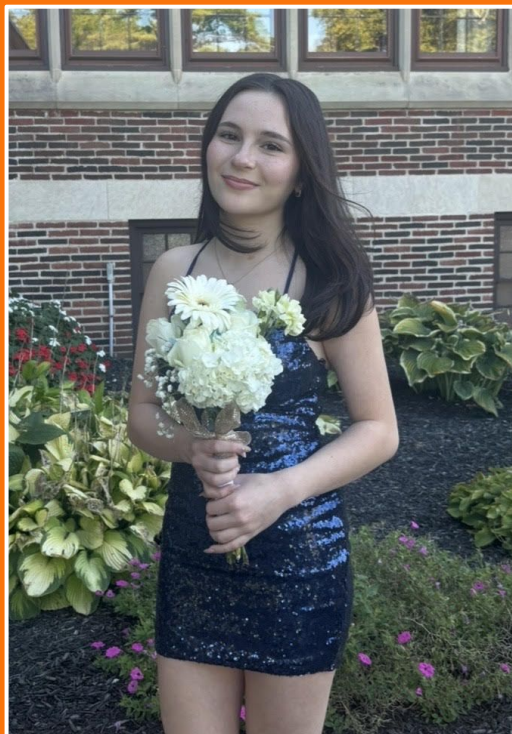

CAREER TECH STUDENT OF THE WEEK

Mylee Strock

Mylee Strock is a senior in the Theatrical Performing Arts Career Tech program. She grew up coming to the SV musicals and has been in every production since entering high school. You may have seen her last year as Matilda. Mylee is also involved in community theatre including a national competition musical theatre team. In addition to TPACT Mylee is involved in choir at SV. Ms. Shepard states, "It's been an honor to teach Mylee. She has a passion for theatre and is always looking for new ways to grow and improve in her craft. Her work ethic is outstanding - and so is her talent!" Mylee plans to pursue musical theatre in college.

MUSICIAN OF THE WEEK

Jayde Chavez

Southview Musician of the Week is Senior Jayde Chavez! Jayde has been a member of the Southview choirs all four years of high school after doing choir in junior high. She has performed with the Concert Choir, Symphonic Choir, and Varsity Singers as a soprano singer. With the choirs, she has participated in various OMEA District Contest events and State Contest. When it comes to choir, Jayde enjoys the people she sings with and the types of songs each group performs. She also loves the holiday songs for the winter concerts. Outside of choir, Jayde is a member of the Southview Varsity Cheer Team. After high school she plans to attend the University of Toledo to major in Psychology. Jayde is the daughter of Nicole and Brad Eckenrode.

SYLVANIA SOUTHVIEW HIGH SCHOOL and **Clothes Bin®** have partnered to collect and recycle old clothing, shoes and textiles!

So, please do not throw them away!

Just place the items in the **green** recycling bin in our parking lot.

Every pound of recycled items supports our School!

Below is a list of items that can be placed in our bin:

Clothing: pants, jeans, skirts, dresses, suits, shorts, shirts, tees, tanks

Footwear: shoes, boots, heels, sneakers, sandals, socks, tights

Undergarments: bras, underwear, slips, camisoles

Accessories: hats, belts, ties, scarves, headbands

Handbags: wallets, totes, luggage, backpacks, briefcases

Linens: towels, sheets, comforters, blankets, tablecloths

As you clean out the old and bring in the new, **you** can help the environment and **SYLVANIA SOUTHVIEW HIGH SCHOOL** too!
