

Notes from Principal Vens

Thursday marked the end of first quarter, and **grade cards will be emailed on Friday 10/25/24.** The start of second quarter is a reset for a student's grades. Let's take a closer look...

Remember, only a student's semester average appears on their final transcript and impacts their cumulative GPA. In other words, depending on what happened first quarter, now is either the time to lock in and maintain the good grades or now is the time to put in more work and seek out more in-school support to make sure the second quarter average is higher. Here are two examples of how a semester average is impacted using the Board-approved weighted system of Q1 (40%), Q2 (40%) and Exam (20%)

- 1) Q1 - 68 D+ / Q2 - 89 B+ / Exam - 86 B
FINAL GRADE = 80% B-
- 2) Q1 - 91 A- / Q2 - 74 C / Exam - 65 D
FINAL GRADE = 79% C+

While the ending points are similar for these two hypothetical students, please note the very different second quarter and exam grades they earned, and how those affected the student's final transcript accordingly.

Translation - The time between now and winter break is really important for students' GPAs!

HIGH SCHOOL INTRA-DISTRICT OPEN ENROLLMENT 2025-2026

All students enrolled in the Sylvania School District are assigned to the school serving their attendance area. Students enrolled in grades 9-12 may request open enrollment as set forth below, per policy 5113.01.

Procedure

Application forms will be available upon request through the Student Support Services Department. **You must come to the Office of Student Support Services during office hours to submit an application. Office hours are Monday through Friday 7:30 am - 4:00 pm, please make sure to bring your ID.**

The application dates for intra-district open enrollment are as follows: The first school day in October through the third Monday in November. Students enrolling to Sylvania Schools may apply upon their registration process.

Criteria per Board Policy and Administrative Guidelines 5113.01

Intra-district open enrollment requests for assignment to Northview or Southview will be honored according to the following criteria:

Student enrollment to the requested school does not exceed the program capacity of each building, currently 1340 students for Northview and 1340 students for Southview.

Student enrollment to the requested school does not exceed the established open enrollment grade/cohort (335) capacity by grade level or special program capacity and size.

Students with attendance/tardy to school issues (fifteen (15) or more combined per school year) and/or disciplinary violations may have their open enrollment revoked/rejected per recommendation of the Director of Student Support Services.

Suspensions and expulsions will be reviewed regarding open enrolled students and may result in rejection/return to their residential District school.

Notification

Notifications will be emailed (no phone calls please) from Student Support Services to parent/guardian(s) (email provided on application), building administrators, and school counselors. Applications will be acted upon in the order received by the Director.

Parents will be notified on a rolling basis.

If approved, there will be NO transportation provided for your student.

Students accepted for open enrollment will remain in their approval school for the entire school year.

A new application must be submitted annually by the parent/guardian(s) if the student wishes to continue attending a school outside their residential attendance area.

Students in grades 10-12 who participate in sports, OHSAA guidelines will be followed.

**Did you know that having a summer job
can earn a GRADUATION SEAL?**

The [Ohio Means Jobs Seal](#) is like an abbreviated resume where students can highlight their employability skills; these skills can be developed at school, work or through community organizations and service.

WHO CAN EARN THE SEAL?

Any student who is employed, has been employed and still maintains a positive relationship with the past supervisor, participates in community service, works with community organizations like Boys Scouts or church youth groups for example, or career technical students with job/shadowing placements. The expectation is that students are “working” outside of school to develop their employability skills.

To learn more check out the [Ohio Department of Education guidelines](#) for completing the verification form. This link provides more detailed directions and is a short read. Students must provide statements that explain how they demonstrate 15 employability acquired through work-based experience.

[BLANK SEAL FORM](#) for student use. Please print and complete the form. Forms may be submitted through the counseling department or Ms. Liwo, Assistant Principal. The guidance department is prepared to help students if you have any questions.

Nominate a Teacher...

Our Cougar Pride program is expanding...again. Students can now nominate their teachers for the same monthly recognition they receive from the staff. The only difference is that staff members will not be eligible for any of the monthly prizes. Instead, each staff member who is recognized by a student will receive a certificate that will give details about why they were nominated.

I included the link and QR code in the weekly newsletter so that parents could use the same Google form to [nominate a staff member](https://docs.google.com/forms/d/e/1FAIpQLSdLEG5uCMfRpbEmxbXib9B6t1XCgUmvL_gsqoPjIKv5AmNmZQ/viewform). If you click on the link, you will see ways in which our staff might exhibit the core values--respectful, responsible, and resilient.

If you feel a staff member has exceeded your expectations or exemplified the core values in some way, consider taking a few minutes to type a sentence or two about their performance. The recognition will mean a lot to them!

SENIOR SPOTLIGHT

MaKenna Hill

MaKenna Hill is our Senior Spotlight this week! MaKenna moved to Sylvania Schools in second grade. She attended Stranahan Elementary school and Timberstone Jr. High. MaKenna lives with her mom and younger sister who is in seventh grade at Timberstone. MaKenna shared that her family prioritizes eating dinner together and enjoys watching movies in their spare time. She will be the first of her older siblings to graduate high school, and will do so with a strong GPA. MaKenna, Southview is lucky to have you and we are so proud of everything that you have accomplished!

Q. What has been your favorite memory of high school so far?

A. I had Mrs. Yenrick for Biology sophomore year. I had several friends in class. I loved that class!

Q. What are you looking forward to most in your Senior year?

A. I'm looking forward to enjoying my last year of high school. I know college will be different and things will change after this year.

Q. What are your plans after high school?

A. I plan to attend college and hopefully own my own business. I want to open up a cafe in the area.

Q. What advice would you give to underclassmen?

A. Grades are important, but they are not more important than enjoying your high school experience.

Q. Do you have a job outside of school? What is it and have you learned from your job?

A. I work at Schmuckers. I have learned not to judge people for what you see. You never know what they are going through outside of work or at home.

Q. Who is one teacher that has inspired or supported you throughout high school?

A. Mrs. Yenrick and Profe Jurski. They were always there to give me advice and listen to all my stories.

Q. What do you enjoy doing in your free time?

A. I like to color and watch Suits (my favorite show).
