# Nominate a Faculty Member...

Our Cougar Pride program is expanding...again. Students can now nominate their teachers for the same monthly recognition they receive from the staff. The only difference is that staff members will not be eligible for any of the monthly prizes. Instead, each staff member who is recognized by a student will receive a certificate that will give details about why they were nominated.

I included the link in the weekly newsletter so that parents could use the same Google form to [\*\*nominate a teacher or staff member\*\*](#). If you click on the link, you will see ways in which our staff might exhibit the core values--respectful, responsible, and resilient.

If you feel a staff member has exceeded your expectations or exemplified the core values in some way, consider taking a few minutes to type a sentence or two about their performance. The recognition will mean a lot to them!

# ATHLETE OF THE WEEK

## ***Juliette Turner***

The Cougar Athlete of the Week is junior Juliette Turner. At last week's Tiffin Carnival, Juliette set a new school record in the 5K with an outstanding time of 18:39. Head coach Richard Bavis praised her effort, saying, "Juliette, like her teammates, has an exceptional work ethic. She puts as much energy into training for a 5K as she does her school work. Her hard work has paid off with the new school girls record in the 5K." In addition to cross country, Juliette also competes in track and field (1600m, 3200m, and 4x800 relay). Beyond athletics, she is an active leader and role model at Southview. Juliette serves in student government, is a member of the Southview Varsity Singers, participates in the Tri-M Music Honor Society, and maintains an impressive 4.3 cumulative GPA. Congratulations Juliette!

## Sylvania Schools Project Unify Fall 2025

### WHAT IS PROJECT UNIFY?

Project Unify is an inclusive program that unites Special Olympic athletes (individuals with developmental disabilities) and peers (individuals without developmental disabilities) through the power of sports. The ultimate goal is to build greater respect and appreciation for one another within our school and greater community. We welcome students of all ages to participate and can strive to provide a one-to-one peer buddy (if requested) to ensure your student's success. We can always use more supporting peer buddies so feel free to invite any family members, friends, and neighbors. This is a free event and we always enjoy getting as many students involved as possible.
