

Spartanburg School District Three

ALL IN. Every Child, Every Day, Whatever It Takes!

OFFICE OF THE SUPERINTENDENT

March 27, 2023

Dear Parent/Guardian:

In 2022, the South Carolina General Assembly unanimously passed S.1103, otherwise known as the South Carolina Child ID law. As a result, Spartanburg School District Three has been given at-home child ID kits that are available for each student. You may pick up a kit for your child(ren) at the school's front office.

These are inkless, at-home kits, stored by parents and guardians that never enter a database. This kit should take less than 2 minutes to complete and is designated to be stored solely by you as a parent or guardian in a cool, dry, and safe place at home.

Please understand there is no obligation to request or use the kit. However, it will allow you to have your child's vital information, fingerprints, and DNA in a safe place should you ever need it. These kits are to be STORED AT HOME and should only be given to law enforcement in case of an emergency.

Best Regards,
