

Join **BGSU STEAM** Camp at the Toledo Natural Science Technology Center!

Saturday, Sept 19th 2026, from 9:00 a.m. – 3:00 p.m.

Looking to engage your 5th–7th grade students in a fun filled day of hands-on learning, discovery, and collaboration in STEAM? Open to ALL districts, Bowling Green State University's STEAM camp will be hosting a 5th grade to 7th grade STEAM Camp at the Toledo Natural Science Technology Center rain or shine! **THIS EVENT IS FREE!**

Your student will experience:

- **Hands-on STEAM activities.** Experiment, design, and build with real materials and technology with BGSU teacher candidates
- **Boost problem-solving & creativity.** Work in teams to tackle challenges and bring ideas to life
- **Explore the natural world.** Discover science in action at the Toledo Natural Science Technology Center!
- **Learn through play & collaboration.** Engage in projects that integrate the arts and STEM thinking

Sign up here!

Whether your student loves plants, animals, experiments, design, or exploring the world around them, this camp is a perfect opportunity to learn, create, and have fun!

Lunch (pizza) will be provided! Transportation will not be provided. Please note that there will be activities around animals, outdoors, and in a greenhouse.

Spots are limited! Don't miss out on this exciting STEAM adventure!
