

During the Board of Education meeting tonight, our Board will receive recommendations for the following items in reference to our Restart-Reopening plan:

- For the Hybrid learning plan (Yellow), students will attend school on a rotation schedule designed with two (2) student cohort groups - Group A and Group B.
- For the purpose of preparing our schools with the necessary technology, safety measures and training of staff and students, the first official day of school will be Monday, August 31.

The A/B groupings will be communicated to parents by Friday, July 31.

*Additional information for parents/guardians:*

**Communication** - We want to keep families informed with back to school information and throughout the school year.

- Please keep your mailing address, email address, and phone number(s) updated in [OneView](#).
- Text Alerts & Notifications - Don't forget to [opt-in](#) if you have never received text messages from the district.

#### **Sylvania Area Family Services (SAFS)**

SAFS will be hosting its annual school supply distribution to qualifying K-12 students in the Sylvania school district. Families will need to pre-register at the following link: <https://bit.ly/safs-b2s-2020> ([Flyer](#))

#### **Summer Boost ([LINK](#))**

During the summer, Sylvania students retain access to a number of digital resources that can provide support in preventing gaps in education from one academic year to the next. This website provides guidance on accessing and using those resources. Students may use these resources for additional practice and review of the previous year's learning standards.

#### **E-Flyers are back ([LINK](#))**

We've received flyers from area non-profits with information about upcoming programs. Please contact organizations directly about any questions related to the program or health & safety protocols.
