

Sylvania Schools will begin the 2020-2021 school year on time with the goal of our students attending daily classes in person. As a district, we are aware that our families are anxiously awaiting information about what school may look like in the fall. In response to this concern, we are working in collaboration with our staff, Lucas County Department of Health and the Ohio Department of Education to develop a plan for the upcoming school year. Although we recognize the current situation remains rather fluid, we felt it imperative to inform our parents that we have intentions to start the school year on time. Sylvania Schools will continue to provide ongoing information to our parents and learning community as specific decisions are made.

There will be a presentation to the Board of Education on Monday, June 8 at 5:00 p.m. outlining the current efforts of the 2020-2021 School Year Start-up Task Force team. A streaming link is available through bit.ly/SylvaniaBOE. The presentation will be available on our website following the meeting.

(2020-2021 Calendar attached)
