What is Cub Scouting?

Cub Scouting gives boys and girls the chance to do fun things with others, such as:

- wear a cool uniform, go to new places, and see new things
- play games and build things like race cars and bird houses
- learn how to tie knots or how to shoot an arrow

As a Cub Scout, you will be part of Pack 149, which is sponsored by Epworth Church, and is made up of boys and girls from schools in the surrounding area. Pack 149 usually meets on the third Wednesday of each month at Epworth Church.

Pack 149 is also divided into smaller groups called dens. All of the Cub Scouts in your den will be in the same grade as you. Your den will also meet once or twice per month.

Cub Scouts Explore the Outdoors!

Cub Scouts in Pack 149 go on many outdoor adventures throughout the year, including hikes and overnights. Here are a few for 2020 – 2021:

- visiting Gust Brothers Pumpkin Farm
- camping at the Field of Dreams Drive-In (Liberty Center)
- geo-caching

Cub Scouts Practice Good Citizenship & Service to Others!

There are many opportunities for Pack 149 Cub Scouts to practice good citizenship including raking leaves for area seniors, laying wreathes on the graves of veterans, marching in community parades, and collecting food for area food pantries.

Cub Scouts Learn About Science!

Cub Scouts have the opportunity to complete many different types of adventures that are related to science and engineering, including *Digging in the Past* (fossils), *Robotics*, *Grow Something* (plants), and more! Cub Scouts can also earn special STEM Nova awards by learning about science topics.

Cub Scouting and COVID-19

Cub Scout Pack 149 meets in-person in an outdoor location and observing proper social-distancing and mask-wearing whenever it is safe to do so. When we are unable to meet as a group, we switch to scheduled family activities and Zoom meetings.

Most of All, Cub Scouts Have Fun! Join Cub Scouts this fall!
