

L URDES

2019 WOMEN'S BASKETBALL ELITE CAMP

The Lourdes University women's basketball program will host an "Elite Camp" for girls in grades 8-12 in the summer of 2019. Campers will receive instruction from college coaches and players, while learning fundamentals, competing in drills, and utilizing those skills in live game action. Campers will have the opportunity to compete in a highly competitive atmosphere while developing their skills on the court.

Under the watch of Lourdes University head women's basketball coach John Kenger, players will get the opportunity to showcase their skills in front of collegiate coaches and players. In just his first year at the helm of the Gray Wolves program, Kenger guided Lourdes to its most victories in a single season in 2018-19. Kenger has nine years experience coaching at the collegiate level.
