## 2019 WOMEN'S BASKETBALL KIDS CAMP

The Lourdes University women's basketball program will host a Kids Camp for girls in grades 3-7 in the summer of 2019. Campers will receive instruction from college coaches and players, while learning fundamentals, developing key basketball skills, and learning the game. Campers will split into age and skill level groups to receive top-level instruction and guidance from experienced coaches and collegiate players.

Under the watch of Lourdes University head women's basketball coach John Kenger, players will get the opportunity to develop their skills in front of collegiate coaches and players. In just his first year at the helm of the Gray Wolves program, Kenger guided Lourdes to its most victories in a single season in 2018-19. Kenger has nine years experience coaching at the collegiate level.
