

Timberstone Extra-Curricular Activity Eligibility

Rights and Responsibilities:

Students at Timberstone Junior High School are fortunate to have a wide variety of extra-curricular activities in which to participate during the school year. All members of Timberstone extra-curricular groups are expected to obey all of the school rules of sportsmanship, respect for others, and regard for the property of Sylvania Schools as well as other schools encountered.

The Timberstone Student Handbook is clear as to the expectations of all Timberstone students during any activity that is related to school. These rules and regulations are enforced for all school functions; before during and after school hours. The school and our staff members have a right to expect reasonable and responsible behavior from all of our students.

Our Timberstone students can expect to be treated fairly and in a reasonable fashion by all staff in our school. Timberstone students and parents can anticipate abundant communication from extra-curricular advisors and coaches.
