	Time and distance required to provide transportation	Number of pupils transported	Cost of providing transportation	Is there similar or equivalent service for other eligible pupils?	Does service for these students disrupt current transportation schedules?		Are other reimburseable types of transportation available?	
					am	pm	Other schools	Public transit
Maumee Valley Country Day	This school is located outside the district. To transport these students we have to dedicate a bus for these students that cannot be used for other public schools. (42 miles per day, routed with St. Johns)	10	\$ 5,825.77	no	Times conflict with public routes, requiring a dedicated bus. It takes too long for the bus to get back to use it on any other route.		Adjacent public schools contacted and either do not serve or will not serve Sylvania students	Tarta stops and route times do not match school start and stop. Tarta is not permitted to modify routes or times for school tripper purposes.
St John's	This school is located outside the district. To transport these students we have to dedicate a bus for these students that cannot be used for other public schools. (42 miles per day, routed with MVCD)	3	\$ 5,825.77	no	Times conflict with public routes, requiring a dedicated bus. It takes too long for the bus to get back to use it on any other route.		Adjacent public schools contacted and either do not serve or will not serve Sylvania students	Tarta stops and route times do not match school start and stop. Tarta is not permitted to modify routes or times for school tripper purposes.
Toledo Christian	This school is located outside the district. To transport these students we have to dedicate a bus for these students that cannot be used for other public schools. (80 miles per day)	13	\$ 5,825.77	no	Times conflict with public routes, requiring a dedicated bus. It takes too long for the bus to get back to use it on any other route.		Adjacent public schools contacted and either do not serve or will not serve Sylvania students	Tarta stops and route times do not match school start and stop. Tarta is not permitted to modify routes or times for school tripper purposes.
Bounty Collegium	This school is near a high school, but the one request is for a student that is out of the HS attendance area. This would require a dedicated bus.	1-3	\$ 13,715.00	no	Times conflict with public routes, requiring a dedicated bus		Adjacent public schools contacted and either do not serve or will not serve Sylvania students	Tarta stops and route times do not match school start and stop. Tarta is not permitted to modify routes or times for school tripper purposes.
			District average cost of transportation is 817.22 per child					

school	riders	# of buses	Annual cost	cost / student	current year reimbursement per student
district benchmark from T2	4263	46	3,483,809.00	\$ 817.22	320.25 (before cap)
Maumee Valley Country Day & St. John	13	1 bus	75,735.00	\$ 5,825.77	
Toledo Christian	13	1 bus	75,735.00	\$ 5,825.77	
Bounty Collegium	1	1 trip	13,715.00	\$ 13,715.00
