

## SUMMER BASKETBALL CAMPS

The Northview Boys' Basketball program, in cooperation with Sylvania Recreation, are offering fun, skill development camps this summer! The Wildcat camps will emphasize how children should correctly work on the fundamentals of all aspects of the game. They are open to all children who are interested! Join us for a week of fun and learning with the Sylvania Northview Boys' Basketball teams.

The Northview Boys' Basketball coaching staff will be leading the camps. This is a GREAT opportunity to work with your future High School coaches! The Northview coaching staff is pleased to offer the opportunity to children who want to learn and hopes to see everyone at camp this summer.
