

Oregon Food Service Newsletter

January 2024

Volume 1, Issue 1

Welcome

Food Service is introducing a monthly newsletter to help keep the district informed. This newsletter will provide readers with participation data, free and reduced percentages, nutrition information, menu updates, current events, and building celebrations.

Food Service would like to thank an anonymous donor for paying off several students' lunch debts. A total of \$2,000 was given.

Menu Firsts

Clay High School has Chili Cheese Fries on the Winter Menu. It is a very popular item.

Coy, Eisenhower, Fassett, Jerusalem, and Starr are giving Cheesy Pull-Aparts a try. They replace the Bosco Stick.

Nutrition Facts

Kiwi is a winter fruit from California. It is considered a berry fruit. Kiwi has Vitamin C, Potassium, Fiber, and Zinc.

The easiest way to eat a Kiwi is to cut it in half and scoop out the inside with a spoon.

Kiwi grow on a vine that can reach 33 feet long.

Building Updates

Did you know?

Eisenhower kitchen was equipped with a new Combi Oven last spring. This oven steams, bakes, air fries, and cleans itself.
