

bellbrook music boosters *sponsorship drive*

2023-2024

Bellbrook's Music Programs have a legacy of excellence in our small community. Through our programs, thousands of students have learned skills like discipline, team work, and time management. Each year, our music students become a family- bonding over hundreds of hours of practice and competitions.

The Bellbrook Music Boosters are a parent-volunteer organization that supports all aspects of music programming for Bellbrook-Sugarcreek Schools. Our volunteers offer financial and physical support to allow all music and colorguard programs to compete locally, regionally, and nationally.

Our programs need sponsors like you to pledge your support. We are currently raising money to help with the following initiatives:

- Replacement of aging uniform components (hats, gauntlets, sashes)
- Hosting of Drum Corps International Open Class Summer Tour
- General expense fund goes to concert attire, music arrangement, band camp expenses, etc.

In order to support our students, the Bellbrook Music Boosters solicit donations from local businesses, community supporters, and former band alumni. Please consider making a financial contribution to the Bellbrook Music Boosters to support our 2023-2024 season. We'd love to welcome you into the Bellbrook Music Boosters Family.

Our sincerest thanks,
The Bellbrook Music Boosters
