New Business:

Short meeting to discuss winter budgets. Due to the School Board fee issue, it is difficult to have defined numbers on budget, but necessary spending is imminent. Per Treasurer, a non-budgeted expense process can be considered. Majority vote approved line item spending as needed to get the WG and IPE seasons off to a successful start.

Concern over separate fundraising was discussed (as JJ had mentioned having fundraising ideas). The general consensus was that the funds raised should go through the Boosters to remove any question of impropriety, though of course all funds would go to the program.

Discussed possible out of cycle meeting to approve budgets once the School Board makes the final decision relating to program fees.
