

## Section: Narratives - Needs Assessment

### Introduction

In accordance with the American Rescue Plan (ARP) Act and Pennsylvania Act 24 of 2021 (Act 24), the Pennsylvania Department of Education (PDE) will award approximately \$ 249,848,000 or five percent (5%) of Pennsylvania's ARP Elementary and Secondary School Education Relief (ESSER) State Reserve funds to school districts, charter schools and cyber charter schools (collectively, LEAs) = to implement evidence-based interventions that address learning loss in response to the academic, social, emotional and mental health needs of students and subgroups of students impacted by COVID-19 public health emergency that supplement school programs and activities.

Act 24 requires that LEAs, at a minimum, use the funds they are awarded under this subgrant in the following ways: .

### Percentage of LEA Allocation - Required Activities

**30% - To address the social, emotional and mental health needs of students**

**10% - To provide professional development and technical assistance to educators, school support staff, school leaders and school health professionals to address the social, emotional and mental health needs of students.**

**8% - To address reading remediation and improvement for students**

The remaining allocation may be used by the LEA to address and/or supplement other areas of learning loss caused by the pandemic.

Act 24 also requires that, when available, existing personnel shall be utilized by school districts, charter schools and cyber charter schools to staff programs and activities established with these grant funds.

Within 90 days of receipt of these allocations, school districts, charter schools and cyber charter schools must submit a three-part plan to PDE, that outlines the proposed use of the grant money, itemized by program and activity. This plan is part of a consolidated application that includes after-school programming, summer activities, and a comprehensive plan to address learning loss. The plan shall include:

- 1) A description of each program and activity
- 2) A narrative outlining the expected benefit of each program and activity
- 3) A budget for each program and activity detailing personnel and operating costs.

Through this grant application, LEAs will meet their requirement of developing a three-part plan, including describing their planned programming, a narrative outlining the expected benefit of each program and activity, as well as an overview of how the LEA determined the areas of need to be addressed, including the use of stakeholder feedback.

PDE has developed the Accelerated Learning Toolkit, a significant cadre of resources and trainings, to support LEAs in the development of their plans. The Accelerated Learning Toolkit can be found [Link to Accelerated Learning Toolkit](#).

**Needs Assessment:** In this section, LEAs are asked to describe the impact of the pandemic on their

students, examine disproportionate impacts on specific student groups, and highlight the LEA's promising practices in supporting student needs since March 2020.

### Indicators of Impact

1. Understanding the Impact of the COVID-19 Pandemic: Describe how the LEA has identified or will identify the extent of the impact of the COVID-19 pandemic on student learning and well-being. Specifically, what methods (i.e., collecting and analyzing data and information from focus groups, surveys, and local assessment results) were used or will be used to identify and measure impacts in four key areas: (1) Social and Emotional Learning, (2) Professional Development needs to support Social and Emotional Learning, (3) Reading Remediation and Improvement for Students, and (4) Other areas of Learning Loss?

	<b>Method used to Understand Each Type of Impact</b>
<b>Social and Emotional Learning</b>	Counselor logs/observation notes, PASS student survey administered fall/spring, principal/counselor lunch bunches/feedback circles.
<b>Professional Development for Social and Emotional Learning</b>	Grade-Level chair input, walk-through administration checklists, counselor feedback, school culture survey, PD needs assessment survey
<b>Reading Remediation and Improvement for Students</b>	Trimester DIBELS reports, Title I entrance/exit data, grade-level unit assessments, Literacy Coach observations
<b>Other Learning Loss</b>	Course attendance, course requests for advance classes, progress reports, STAR Math and Reading benchmark assessments

### Documenting Disproportionate Impacts

2. Identify the student groups in the LEA that faced particularly significant impacts from the pandemic in the areas of Social and Emotional Learning, Reading Remediation and Improvement, or any other areas of learning loss that the LEA will address with this funding source. For each, provide specific strategies that were used or will be used to identify and measure impacts.

<b>Student Group</b>	<b>Area of Impact</b>	<b>Provide specific strategies that were used or will be used to identify and measure impacts</b>
Children with Disabilities	Reading Remediation and Improvement	Administration considered students with disabilities by reviewing schedule interruption logs, minutes on task/assignment, IEP goal reports, report cards, and case

<b>Student Group</b>	<b>Area of Impact</b>	<b>Provide specific strategies that were used or will be used to identify and measure impacts</b>
		manager observation logs.

**Section: Narratives - Learning Loss Program Questions**

**Learning Loss Program Questions:** In this section, LEAs are asked to describe the activities they have designed to support accelerated learning to combat learning loss caused by the COVID-19 pandemic for their students. Please use the following link to ensure that your calculated values below are equal to the values published on PDE's website. The file contains your LEA's MINIMUM required reserves for Learning Loss to address SEL, SEL PD, and Reading Improvement. [Click to download reserve amounts.](#)

\*LEA's can choose to spend MORE than the minimum required reserves for Learning Loss. Those values will be entered in the budget sections.

**Section 3a – Social and Emotional Learning:** As schools across the Commonwealth return to school, LEAs face increased challenges in addressing the mental health needs of their students and staff. LEAs are required to utilize **A MINIMUM of THIRTY PERCENT (30%)** of funding available through this grant application to support the Social and Emotional Learning of their students. In this section, LEAs are asked to describe the activities they have designed to address these needs. Please reference the SEL framework to assist in developing this plan.

3. Calculate 30% of LEA Allocation as the **MINIMUM REQUIRED RESERVE** for Social and Emotional Learning. *(Calculation will populate when you click the Save button)*
  - *This value will be needed in the corresponding budget section.*

	Total LEA Allocation	Multiply by 30% (.30)	Minimum Allocation for SEL
<b>Minimum 30% SEL Requirement</b>	25,911	30%	7,773

4. Describe the data sources the LEA is using to identify social and emotional needs of students and identify areas of strength and concerns in the learning environment.

Avonworth SD has purchased the PASS survey which surveys all students K-12 in areas that impact learning including school connectedness, self-efficacy, and motivation. They survey is given twice a year - in the fall and the spring. The results of the PASS survey can be broken down by sub-groups at the grade-level, building-level, and/or district level. This survey data is being used by the Administration to plan professional development related to SEL throughout the school year.

5. Program/Activities – Please describe the planned program activities and identify the type of activity and the number of students to be served by that activity.

Program Activity	Student Group	Type (Universal, Targeted, Intensive)	Number of Students Served
PASS Survey	Gender	Universal	1,850
Social Skills Groups	Children with Disabilities	Targeted	30
Counselor Classroom Lessons	Children with Disabilities	Targeted	30

6. How will the LEA assess the success of the SEL program? Please identify the tool, frequency of use, and expected results.

Tool Used to Evaluate Success	Frequency of Use	Expected Results
PASS Survey	2 Times per Year - Fall and Spring	Increase in SEL school enviromental data as reported by K-12 students.

**Section 3b – Social and Emotional Learning Professional Development:** LEAs face increased challenges in addressing the mental health needs of their students and staff. LEAs are required to utilize **A MINIMUM OF TEN PERCENT (10%)** of funding available through this grant application to support professional development activities and technical assistance for educators, school support staff, school leaders and school health professionals to address the social, emotional and mental health needs of students. In this section, LEAs are asked to describe the activities they have designed to address these needs.

7. Calculate 10% of LEA Allocation as the **MINIMUM REQUIRED RESERVE** for Social and Emotional Learning Professional Development. (Calculation will populate when you click the Save button)

- This value will be needed in the corresponding budget section.

	Total LEA Allocation	Multiply by 10% (.10)	Minimum Allocation for SEL PD
Minimum 10%			

	Total LEA Allocation	Multiply by 10% (.10)	Minimum Allocation for SEL PD
<b>SEL PD Requirement</b>	25,911	10%	2,591

8. Describe the planned professional development activities and how the activity will ensure that teachers/staff are equipped with training/support on the following:
- Social emotional learning and support for students that have suffered trauma during the COVID-19 pandemic;
  - Identifying signs of possible mental health issues and providing culturally relevant support;
  - Motivating students that have been disengaged;
  - Mentoring students who have attendance issues before it becomes a pattern;
  - Self-care and mindfulness strategies for teachers;
  - Engaging and communicating effectively with parents;
  - Working with community agencies to address non-academic needs.

Professional Development Activity	Number of Staff Involved	Type of Staff Involved (Teacher, Counselor, Support Staff, Admin, Other)	Provider – Who will present the professional development	Is the provider an internal staff member or an outside contractor?	Brief Description of the Planned Activity
b. Identifying signs of possible mental health issues and providing culturally relevant support;	130	Teacher	School Social Worker	External Contractor	PD to address the signs and supports for students who would benefit from mental health supports and screeners.
a. Social emotional learning and support for students that have suffered trauma during the COVID-19 pandemic;	20	Support Staff	Director of Student Services	External Contractor	Paraprofessional PD to identify signs of Emotional Learning struggles and ways to report.
					Four PD sessions

Professional Development Activity	Number of Staff Involved	Type of Staff Involved (Teacher, Counselor, Support Staff, Admin, Other)	Provider – Who will present the professional development	Is the provider an internal staff member or an outside contractor?	Brief Description of the Planned Activity
e. Self-care and mindfulness strategies for teachers;	130	Teacher	Pitt Department of Education	External Contractor	specific to teacher/staff well-being related to mental health and burnout.

9. How will the LEA assess the success of the SEL professional development? Please identify the tool, frequency of use, and expected results.

Tool Used to Evaluate Success	Frequency of Use	Expected Results
Culture and Climate Survey	Yearly	Increased positive results in at least one or more reporting categories.

**Section 3c - Reading Improvement for Students:**

LEA allocations in Reading improvement should be used to increase the best practice in the implementation of research-based reading instruction and acceleration. As schools are planning the most effective use for this 8% set aside for reading instruction and acceleration, they should contemplate the use of structured literacy (also known as Science of Literacy) to develop reading instruction and remediation. Please reference the Structured Literacy framework to assist in developing this plan [LINK NEEDED](#)

LEAs are required to utilize **A MINIMUM of EIGHT PERCENT (8%)** of their ARP-ESSER allocation for research-based reading instruction. In this section, describe the course of action to remediate and improve reading gaps through research-based practices.

10. Calculate 8% of LEA Allocation as the **MINIMUM REQUIRED RESERVE** for Reading Improvement for Students. (Calculation will populate when you click the Save button)

- This value will be needed in the corresponding budget section.

			<b>Minimum Allocation</b>
--	--	--	---------------------------

	Total LEA Allocation	Multiply by 8% (.08)	for Reading Improvement
<b>Minimum 8% Reading Improvement Requirement</b>	25,911	8%	2,073

11. What local assessments were used to determine the need to address learning loss in the area of reading? For which specific groups of students was this need evidenced? What were the findings?

Title I Reading Students - LEA has access to and reviewed developmental progress reports for identified students, attendance logs, DIBELS reports, student work samples, and teacher assessment checklists. Students identified as part of the Title I reading program did not make instructional gains equal to their peers in the area of foundational reading skills. Skills were maintained through the pandemic however the growth was not equal to peers. Additional targeted reading interventions and materials are needed to increase foundational skills.

12. Does your data indicate that at-risk readers are making at least a year's worth of growth or more in one school year? \*Please consider both state PVAAS data and local assessment data

Yes

Please explain:

We use DIBELS reports along with STAR Reading Benchmarks as a universal screener for all K-5 students. We use 95% group - research-based reading strategies - as a focused intervention for those readers that do not benchmark on the universal screener measures in the fall, winter, and/or spring.

13. Has the LEA used structured literacy and/or provided training for K-4, ESL, and Special Education teachers in structured literacy?

Yes

If so, please identify the training, grade level, and number of teachers involved.

Training	Grade Level / ESL / Special Education	Number of Teachers Trained

Training	Grade Level / ESL / Special Education	Number of Teachers Trained
LETRS (AIU)	K-4 SPED and Reading Specialists	8
Reading Apprenticeship Course (AIU)	K-3 Regular Education Teachers	10

14. Describe the evidence-based instructional intervention(s) that address the identified needs of students most disproportionately impacted.

Intervention	Student Group	Number of Students Receiving Intervention	Brief Description of Intervention
95% Group ELA	Children with Disabilities	30	30 minute daily intervention lesson with structured intervention program with a reading specialist.

15. How will the LEA assess the success of the literacy program? Please identify the tool, frequency of use, and expected results.

Tool Used to Evaluate Success	Frequency of Use	Expected Results
DIBELS Benchmark Assessments	3x a year - fall, winter, spring	Increase in foundation skill measures and sub tests across each testing season

**Section 3d - Other Learning Loss Activities:** LEAs are permitted to utilize the remainder of their allocation to support and/or supplement additional efforts being implemented to combat learning loss caused by the COVID-19 pandemic. Please use this section to describe those efforts.

**\*This value can be UP TO 52% of the total allocation, if minimum values were used for other reserves.**

16. Calculate 52% of the remaining LEA Allocation **AS A MAXIMUM** amount to fund Other Learning

Loss Activities. (Calculation will populate when you click the Save button)

	Total LEA Allocation	Multiply by 52% (.52)	Maximum Allocation for Other Learning Loss Activities
<b>52% Other Learning Loss Activities</b>	25,911	52%	13,474

17. Describe the evidence-based instructional intervention(s) that address the identified needs of students most disproportionately impacted.

Intervention	Student Group	Number of Students Receiving Intervention	Brief Description of Intervention
Summer Learning / Enrichment	Children with Disabilities	30	Additional funding to support salaries to provide more student spots to the summer program.

18. How will the LEA assess the success of the learning loss activities? Please identify the tool, frequency of use, and expected results.

Tool Used to Evaluate Success	Frequency of Use	Expected Results
Pre-post Learning Checklist	Start and end of Summer Program	Increase in academic skills from start of program until end of program throughout the summer.

**Section: Budget - Social and Emotional Learning Budget**

Social and Emotional Learning Budget

**Budget**

\$25,911.00
