

Summer 2023

Dear Seventh Grade Families,

The start of school is only a few weeks away, and we are anticipating a great school year! The seventh grade team is looking forward to meeting this year's class. Students will be introduced to learning styles and skills that are new to them and are more complicated than the styles they are currently using. We hope to equip your student with a wide variety of skills that will prepare them for future academic success.

To help start the year out smoothly, we have prepared a list of supplies necessary for each class. In addition to this, we recommend that you discuss with your student their method for recording daily and long-term assignments; it is recommended by the teachers that your student purchases a school-year agenda or calendar for organizational and planning purposes.

Every 7th grade student is required to have the following items:

- pencil pouch
- many pencils
- set of colored pencils
- multi-colored highlighters
- colored pens for editing purposes
- earbuds that fit into your pencil pouch and should remain at school.
- *Donations of tissues, hand sanitizer, and disinfecting wipes are gratefully accepted!*
