Invisible Man: Agree or Disagree?

Statement	Agree (A) or Disagree (D)	Reasoning
Racism is still a problem today.		
Personal identity is based on how others look at you.		
Conforming to society's expectations results in the loss of self-identity.		
Stereotypes are usually accurate.		
Focusing on the positive will erase problems.		
Standing for your beliefs earns you respect.		
Personal responsibility is more important than social responsibility.		
Leaders always have your best interests in mind.		
The minority cannot win against the majority.		
Hiding true feelings is the best way to avoid conflict.
