

### **Invisible Man Playlist**

Due:

Design an Invisible Man playlist. You must choose 5 different songs that span the course of the entire novel. They should be from entirely different sections of the novel. Do not use songs that are already referenced in the novel; one example would be Louis Armstrong's "Black and Blue." For each song, include the following:

- Title and artist
- Lyrics
- Brief explanation explaining how this fits into the novel
- At least two quotes from novel (with page numbers) to back up your song choice
