SCHOOL DISTRICT OF THE BOROUGH OF BRENTWOOD

September 1, 2021

Dear Moore Elementary Families,

On behalf of all of the teachers and staff at Moore School, we are all very excited to welcome everyone back to school this fall -especially since we are returning to our traditional building schedules! For the 2021 – 2022 school year we are welcoming two new staff members, Miss Douglas who will be teaching music and Mrs. Sciulli who will be teaching fifth grade ELA and social studies. Mrs. D. Ziegler replaced Miss Rebholz in special education and Ms. Cosner moved from library to third grade English Language Arts, replacing Mrs. Kovacs.

All students and visitors to Moore are required to wear appropriate face masks. The gym is set up with six feet of distance for the lunch periods however, in classrooms, we are maximizing seating distance to the greatest extent possible without adjusting the educational program.

Our first day of school for students in first through fifth grade is Tuesday, September, 7, 2021. Kindergarten families should refer to their staggered start letter for Family Orientation and first day information.

Students will be admitted to Moore at 8:10 am and report directly to their classrooms. We ask that students in grades 1 – 3 and Mrs. O'Neill's homeroom use the upper doors to enter the building. Students in Miss Maiden's homeroom and in fourth and fifth grade should enter through the main doors. Students participating in the school's breakfast program should enter through the main doors between 7:45 am and 8:15 am. Students in kindergarten through third grade will be dismissed at 3:00 pm through the doors they entered. Fourth and fifth grade students will exit via the playground stairs at 3:00 pm.

Please note that if you are driving your child(ren) to school in the morning we are going to ask that students exit the vehicle if you are stopped between the upper and lower sets of stairs. Traffic must keep flowing on Dalewood. If your child(ren) need assistance getting out of the car, please park along Elton, Brownsville, or before the drop-off area as there is no parking on the right side of Dalewood.

Finally, students will be receiving their Chromebooks in their homerooms on the first day of school. The paperwork for insurance and Acceptable Use must be completed and submitted to the technology department prior to the start of school. Students who have incomplete or missing paperwork will not be permitted to take their devices with them.

We look forward to seeing all of our Moore students and their families next week. Please call the Moore office at 412-881-7776 if you have any additional questions or concerns.

Sincerely,

Bonnie Betler

Dr. Bonnie Betler
Principal, Moore Elementary School
