

COSMETOLOGY

Become a cut above the rest as you color the world with style

Prepare for a future in the beauty industry by mastering the fundamental principles of hair, scalp care and nail artistry. Develop technical expertise in professional hair cutting, styling and chemical treatments through structured instruction. Build precision and discipline in manicures, pedicures and advanced nail techniques. This course provides the in-depth knowledge and practical experience required to meet New York State cosmetology licensing standards, ensuring you gain both the skills and hours necessary to pursue certification. Expect a rigorous curriculum that demands dedication, attention to detail and a commitment to mastering the craft at a professional level.
