

Regents Student Excel File Specifications for Non-pubs and Charters 2024-2025

This file is used to preprint Regents answer sheets with student information.

File Requirements:

- There should be one record for each exam taken by a student. For example, if a student is taking Algebra I CC and Global History, there should be two entries in the spreadsheet.
- The first row of the file is a header row and must not be changed.
- **Required fields are marked with an “*”;** all others are optional. CourseSection and/or TeacherName are optional but should be filled in if you want to sort printed answer sheets by these fields.
- Use the State Course/Code chart below to determine the ‘Regents State Course Code’ value.
