

# Parental Engagement Action Plan

## Supplement to WCPS Local Plan and Title I Plan

School/Location: North Drive Elementary School

Year: 2019-2020

Principal: Charlenna Bennett-Carter

In the boxes below input program information describing how you will meet the listed Parent Involvement Plan Requirements.

	<b>1. Meaningful 2-way Communication</b>	<b>2. Promotion of Responsible Parenting</b>	<b>3. Involvement in Student Learning</b>	<b>4. Promotion of Volunteering</b>
<b>Strategies</b>	1. Make contact with parents prior to the first day of school.  2. Keep parent contact information up to date so that communication flows.  3. Use classroom and school newsletters/class dojo to keep parents abreast of what is happening.	1. Inform parents of the Parent Resource Center, parent workshop sessions and dates, and other supports that are available for parent use and convenience.  2. Send flyers and information home to parents suggesting ideas and resources on how to help their children succeed in the classroom.	1. Recommend that parents encourage their child to read daily.  2. Encourage parents to be actively involved with their child's homework and study time.  3. Send home daily folders so that parents can track and/or monitor student progress.	1. Encourage parent participation in the Parent Advisory Council.  2. Encourage parent volunteers during orientation and back to school nights.
<b>Anticipated Results</b>	Create an atmosphere of open two-way, meaningful communication between home and school.	Maintain a partnership to assist parents in learning how to create conditions that support learning at home.	A supportive and shared responsibility for student learning.	Parents and all stakeholders feel welcome in the school and are open to seek support and assistance when needed.

# Parental Engagement Action Plan

## Supplement to WCPS Local Plan and Title I Plan

	<b>5. Involvement of Parents and Guardians in School Decisions</b>	<b>6. Parental Training</b>	<b>7. Community Collaboration</b>	<b>8. Promotion of Student Health Awareness</b>
<b>Strategies</b>	<ol style="list-style-type: none"> <li>1. Parent-teacher conferences</li> <li>2. Supply interpreters as needed.</li> <li>3. Offer child supervision during parent nights.</li> <li>4. Parent nights are held at convenient times for parents to attend.</li> </ol>	<ol style="list-style-type: none"> <li>1. Provide information on special topics of interest to parents and provide necessary training.</li> <li>2. Conduct surveys to determine parent and student needs.</li> <li>3. Provide PD for parents in the areas of reading and math.</li> </ol>	<ol style="list-style-type: none"> <li>1. Create a warm reception for parents at the front office.</li> <li>2. Have special events and invite all stakeholders.</li> <li>3. Send personalized thank you cards to partners for volunteering, bringing supplies, or attending school-sponsored events.</li> </ol>	<ol style="list-style-type: none"> <li>1. Create a physically active classroom and school.</li> <li>2. Solicit speakers to promote healthy and responsible kids.</li> </ol>
<b>Anticipated Results</b>	Parents see themselves as advocates, leaders and problem-solvers in the decision-making process and recruit other parents for involvement and school participation.	Increased parent participation in parent workshops that will empower parents to advocate and ensure the success of their children.	Increased partnership with community agencies to provide resources to strengthen school programs, families, and student learning.	Create and establish partnerships with community agencies to connect families with quality health resources.
