

# Hygiene Donation Drive

Hello, my name is Sage Mason and I am a senior at MHS. I am thrilled to have been nominated by our school to be a part of the YWCA's Young Women with Bright Futures program. This is a wonderful opportunity for me to learn more about leadership and service. As a member of the program, I have been asked to organize a service project that will benefit those who are less fortunate in our community. I have chosen to collect hygiene items, because after volunteering at the rescue mission the last few years I know how important these items are to the residents.

At Roosevelt, the students are asked to bring in any of the items on the list below, and place them in the boxes in the main entryway as they enter the building daily. The classroom with the most items collected will receive a coupon for a free cone from the McDonald Dairy Queen.

**Our donation drive will run from February 16th to March 12th.**
