## Student COVID-19 Testing Consent Form

- Test to Stay Program (TTS) allows unvaccinated students who have been exposed to COVID-19, and are under a mandatory quarantine order by their county DOH, to stay in school. Students must meet the following conditions to participate:
  - The student is symptom free
  - The student tests negative on each school day for seven (7) days after exposure using an Abbott/BinaxNOW Rapid Antigen test which produces results in 15 minutes
  - Students will be tested each morning upon arrival to school
- Return to School Program is for vaccinated and unvaccinated students who have had symptoms of COVID-19, but the symptoms have improved, and the student has been fever free for at least 24 hours without fever-reducing medicine.
  - Students will be tested one time with a Rapid PCR test which produces results in 30 minutes using the Accula SARS-COV2 Test kit
  - Parent/student must schedule a test time before arriving at testing site

**Yes, I agree:** I give my consent for my child to be tested under Monroe County Department of Public Health’s **Test to Stay Program or Return to School Program**. I understand this requires my child to be tested by a trained nurse or staff member and submission of the test result to the Monroe County Department of Public Health via secure portal, as required.
