

ESTABLISHED 1975

Casella Power of Hard Work Scholarship

Inspiring Future Heavy Equipment Operators and Diesel Mechanics

Casella is pleased to announce an annual scholarship opportunity for qualifying students looking to pursue a career in Heavy Equipment Operation and/or Diesel Mechanic fields. At Casella, we value our frontline employees and provide them with training and development opportunities to allow for growth within their careers. We are excited to share this same focus with individuals looking to begin their careers in these roles.

ABOUT CASELLA WASTE SYSTEMS, INC.

Casella, headquartered in Rutland, Vermont, is one of the largest recyclers and most experienced fully integrated resource management companies in the Eastern United States. Founded in 1975 as a single truck collection service, Casella has grown its operations to provide solid waste collection and disposal, transfer, recycling, and organics services to more than one million residential, commercial, municipal, institutional, and industrial customers and provides professional resource management services to over 10,000 customer locations in more than 40 states.
