Dear Parents/Guardians of High School Juniors and Seniors:

The start of the 2020-2021 school year is rapidly approaching. It is time for the juniors and seniors who wish to drive to school to obtain their annual parking permit. Student parking at the High School is in the **front parking lot (second row)**, **Fine Arts lot (first four rows)** and **stadium lot**. Students may only park in these locations. Student parking is on a first come/first served basis. Once these designated spaces have been sold, there will be no additional spots.

Student drivers will receive a parking tag for their vehicle, which must be displayed on the rearview mirror at all times while on campus. Student driving privileges are extended to junior and senior drivers only. The cost of the driving permit is **\$50.00** for a full year and **\$25.00** for a semester. This fee will cover the cost of the parking tags with any remaining monies to be used to support student activities at the High School. Student parking passes may be obtained in person at the **Student/Visitor Center** in the High School building on the following days:

<b>SENIORS ONLY</b>	Monday, August 17 - 7:30 a.m. to 3:30 p.m.
<b>JUNIORS AND SENIORS</b>	Tuesday and Wednesday, August 18 and 19 – 7:30 a.m. to 3:30 p.m.

The following conditions must be adhered to in order for students to retain their parking passes:

1. Students may only park in the designated student parking areas (**front parking lot (second row)**, **Fine Arts lot (first four rows)** and **stadium lot**). Students may not park in the visitor or faculty/staff parking areas.
2. All student parking spaces are numbered. The space number corresponds to the number on the parking tag. Students must park in their designated space.
3. Students must have a valid Pennsylvania driver's license at the time of registration. Parking passes will not be reserved for those with a learner's permit.
4. Permits are issued numerically. Students may not request a specific space. Students may not "swap" parking permits. Students must obtain their own parking pass.
5. All student driving regulations on the parking permit application and in the Student-Parent Handbook **MUST** be followed. Failure to do so will result in revocation of parking privileges. Permit fees are **NON-REFUNDABLE** for any reason.
6. Students are expected to be in their first period class by 7:20 a.m. Allow extra time to obey speed limits and walk from your designated space. Excessive "tardies" will result in loss of parking privileges. Please pay particular attention to items #10 and #11 on the application.
7. A complete listing of regulations for student drivers is included in the Student-Parent Handbook. Please review them carefully.

Applications can also be obtained on the District website or in the Student/Visitor Center. Please return the **completed** application in person with both parent and student signatures and cash or check (payable to *South Fayette High School*), during the dates and times specified above, to the Student/Visitor Center located in the High School. Applications will not be accepted before August 10th. **All students will need to bring his/her current license, insurance information and vehicle registration to be copied in order to receive a permit.** This procedure also applies to Parkway West students. Please be sure that your child has all required documentation at the time of registration, as spaces cannot be reserved for those who do not have all the documentation in hand at the time of application.

If you have any questions regarding student parking, please contact the Main Office at (412) 221-4542, Ext. 221 or 241.

Sincerely,

Dr. Laura M. Hartzell  
High School Principal

The mission of the South Fayette Township School District, in partnership with the community, is to cultivate academic, artistic, and athletic excellence of the whole child by fostering the skills to be confident, ethical, empathetic, and responsible global citizens.
