

Family Engagement Compact Lindley Park Elementary School 2020-2021

**COME
CONNECT
WITH US!**

We hope that we will be able to hold in-person events later this school year. Some of our events may include:

ESL Night: An informational session for parents of English Language Learners about school supports for your children.

Family Engagement Nights: Opportunities for you to see what your child is learning, how he/she is progressing, and how you can provide support.

Musical Performances: Students will share their talents in performances during the school year.

Various PTO events: Opportunities to get to know other Lindley Park families, provide service to the school, or enjoy simple family fun.

Connect with us through:

Facebook

ClassDojo

YouTube

Google
Classroom

Our school is committed to serving students and families.

Our administrators, teachers, and support staff will strive to...

Speak and act with positivity, creating an environment where staff, students, and parents are respected, accepted, and valued.

See the *whole* child, discovering not only academic strengths, but also the personal interests and unique personality traits of our students.

Conduct themselves in a respectful and honorable manner while at school, during remote learning and teaching, and at all school-related activities or events.

Teach students skills that enable them to become life-long learners, assess those skills, and communicate progress to families.

Establish regular, positive communication with students and their families through the use of ClassDojo, weekly phone calls home via Blackboard Connect, and Google Classroom.

Our parents are committed to supporting student learning and building a positive school community.

Our parents and guardians will strive to...

Show a sincere interest in the education of their children.

Share pertinent information with teachers about students' strengths and specific needs.

Maximize their children's success by ensuring they arrive on time and ready to learn each day or provide them with an appropriate space in which to learn remotely.

Work with teachers, administrators, and support staff to provide a safe and respectful school environment.

Support Lindley Park's parent-teacher organization (PTO) by attending meetings, responding to surveys, volunteering at school functions, or supporting fundraisers.

Our students are committed to learning and
LEAPING!

Lindley Park Leopards will...

LEAP with pride each day. As stated in our school's motto, students will learn, encourage, achieve, and persevere in order to succeed.

Treat others with respect and demonstrate kindness at all school-related activities whether in person or online and at events in accordance with the code of conduct.

Ask questions when they have them; trust that staff members are here to help.

Share any concerns about their physical and mental health with a trusted adult.

Listen to understand in academic and social settings.

Take advantage of opportunities such as online tutoring, after-school tutoring, clubs, and field trips.

Have fun!

A Message from the Principal

This compact was written with care by our School Leadership Team, which includes school administrators, teachers, and parents. It was then reviewed by a panel of our student leaders. This compact aligns with several of Asheboro City Schools' strategic goals:

GOAL 1: Each student in Asheboro City Schools graduates prepared for further education, work, and citizenship.

GOAL 2: Each student has a personalized education.

GOAL 3: Each student has excellent educators every day.

GOAL 4: Asheboro City Schools will have up-to-date business, technology, and communication systems to serve its students, families, and staff.

GOAL 5: Each student is healthy, safe, and responsible.

Adherence to this compact on all our parts will help us to GROW and improve each day. Our students need us *all* to invest in their education and to model commitment to these ideas so that they too can take responsibility for their learning. We so appreciate the community we have built here and encourage you to communicate with us if you have any questions or concerns. Our open and frequent communication with one another is one of our school's strengths. We appreciate all that you do for you children and we thank you for allowing us to be a part of their educational journey!

My Best,
Mrs. Nikia T. Domally
