

REQUEST FOR PROPOSAL (RFP) #147-2023 OUTDOOR LEARNING SPACE

ADDENDUM A

- Can the sun structure be umbrellas or does it need to be a sun sail?

We are looking for an option that would last long term.

- Are individual outdoor student seats preferred over tables with chairs?

We envision flexible learning spaces.

- Is Asheboro City Schools going to provide power to the space and hook up furniture with power capabilities? Please clarify.

Yes, we will provide any power as needed.

- What size outdoor whiteboard / chalkboard does each installation want?

Outdoor whiteboard/chalkboard would need to be 4' X 8'.

- Can you provide a drawing / location for each of the outdoor learning spaces relative to the respective school?

At this time, we have not selected locations for the outdoor learning spaces. We are looking for a concept that would work at each location.
