

## Campus Traffic Flow Information

Now that all students are on the same campus, we want to have an orderly flow of traffic for the safety of our students. In addition, the traffic pattern below will enable emergency safety personnel to access all areas of our property also. So please adhere to the traffic pattern below for the safety of everyone.

Parents that are interested in having their children ride the bus should complete the Transportation Enrollment forms that are available on the transportation page of the district website.

Please see the attached color coded map for a diagram of the traffic pattern.

### General Traffic Directions:

- All traffic must enter the school campus from State Route 18. Do not enter from County Road 7.
- The area in front of the High School, Middle School and Elementary will be one-way traffic only.
- The area in front of the High School, Middle School and Elementary school will be one lane, single file. We must keep a lane open to serve as a fire lane for emergency personnel.
- School personnel will be outside before and after school to assist students.
