PRINCIPAL'S CORNER

We strive to improve our students' academic growth. The next few months are typical for GREAT growth. With your help we can make this happen for all our students. Regular attendance is one way we can achieve academic growth! Students who attend school regularly have shown to have higher levels of growth. We want to see our students daily!

Our tardy bell rings at 7:45. Students are missing important instruction when they are tardy. Let's pledge and commit to our students coming to school regularly and being on time.

Every Minute of Every Day

Regular school attendance is vital to student success and achievement. Every minute of every day is valuable learning time. Please make efforts to have your child at school by 7:40. Students are tardy at 7:45. Missing 5 minutes at the start of a school day could mean your child misses the opportunity to practice a needed academic skill that supports their learning.

Random Act of Kindness Day is February 17

We will be performing random acts of kindness all day!
