## TITLE 1 INFORMATION

Cowpens Elementary is a Title 1 school. This means we are allotted additional funding to support our students academically. ## Every Minute of Every Day

Regular school attendance is vital to student success and achievement. Every minute of every day is valuable learning time. Please make efforts to have your child at school by 7:40. Students are tardy at 7:45. Missing 5 minutes at the start of a school day could mean your child misses the opportunity to practice a needed academic skill that supports their learning.

### Veterans Day Program

All veterans are invited to attend our program on Thursday, November 10th at 9:00 am. There will be special performances by our 1st grade students and Music ATLAS.

### News from the Nurse

Keeping your hands clean is one of the best ways to protect yourself and others from getting sick. Students with flu-like symptoms or with fever should stay at home until they are fever free for at least 24 hours.

### Growth Mindset

The way we praise our children can have a profound impact on their mindset. Praising children for working hard promotes a growth mindset. Ask your child about their academic goals.
