

Re: A New Take For This Year's Yearbook

Hello Parents!

This year, South Fayette Elementary and Intermediate Schools are using TreeRing to make our yearbooks.

- Custom Pages: Every student gets a one-of-a-kind printed copy of the yearbook, containing two free pages that they can customize with personal photos.
- Buy a Book, Plant a Tree: TreeRing plants a tree in our school's name whenever someone from our school purchases a yearbook. (And here's a bonus: They print on recycled paper.)
