for link to purchase tickets.**

GAME SEATING

You will be required to select your seats from the reserved sections during ticket purchases. We know that people will be moving around within the designated area, but to guarantee your seats are with friends, you may want to consider purchasing tickets together.

You may print your tickets online or there will be a will call table set up outside the stadium prior to the game.

PLEASE NOTE:

While the Wild Things Stadium is a public venue and anyone can attend the game, we ask that you only purchase tickets via this portal for SF boys in grades K-5 and their mother/special female adult accompanying them.
