Stark County Catholic Elementary Schools Band Program

Stark County Catholic Schools is happy to organize the 2019-20 band program in grades 4 - 8 at your school. Ms. Allyson Oyster will be teaching small group lessons, conducting weekly band practices and offering a combined schools band concert. Band begins the week of September 2 on your school's scheduled day.

Allyson graduated from the University of Mount Union with a Bachelor's Degree in Music. In recent years she has taught music classes and workshops, worked with local youth theatre productions and choirs, and she currently teaches private music lessons. In addition to elementary band, Ms. Oyster is also the band director at Central Catholic High School. She is working with the band director at St. Thomas Aquinas High School in order to build both programs for all of our Catholic school students across Stark County.
