

## **Inclement Weather**

Due to winter coming, the school has a procedure in place for closing. The decision is made as early as possible so parents can make other arrangements. Morning and Aftercare will NOT be open. We will call, text, dojo, and email you to make sure you are notified.

Remember to dress your child appropriate for the weather. Hats, gloves, and winter coats are needed. Boots may be worn to school but other shoes must be brought to change into.
